Subject: Lime x AnnArbor

Greetings, I am reaching out regarding bringing Lime Scooters to Ann Arbor. We have received several requests from Ann Arbor residents about deploying scooters in the city. We would love to discuss what the potential steps would be to serve the residents in Ann Arbor with our Sustainable, Safe, and Convenient scooters. One of our top features is Mandatory Parking Zones for neat and compliant scooter parking.

Thank you for your time and consideration, I look forward to connecting with you soon,
