

FY 2015-16 Human Services Funding Reviewers

Attached for your consideration is a communication about FY 2015-16 General Fund program operating funding applications reviewer selections.

COMMUNICATION

As outlined in resolution 13-1164 approved by City Council on 11/7/13, the proposed reviewers for program operating funding applications will include designees of the Board of Commissioners, the Board of the United Way of Washtenaw County, the Ann Arbor City Council, and the Urban County Executive Committee, along with Community and Economic Development, United Way, and Ann Arbor Area Community Foundation staff.

By approving resolution 13-1164, City Council has delegated the authority for identifying the necessary review committee members for the Coordinated Funding Model to the Housing and Human Services Advisory Board.

The review committee will make its recommendations to City Council– via the City Administrator – in April 2014, for funding to commence on July 1, 2014. The full participation of all of the current partners continues to be a critical element for success. A continued commitment to the *Coordinated Funding Model* for the FY 2015-16 funding period has been approved by all five funders as of 11/7/13.

At its meeting on January 9, 2014, the City's *Housing and Human Services Advisory Board* voted to appoint Ingrid Ault, Eleanor Pollack, Andrew Gilroy, and Sabra Briere as program operating funding applications reviewers.
