Petition in Opposition to Near North Rezoning

To: Ann Arbor City Clerk

We, the undersigned, own property which is located within 100 feet of 626-734 North Main Street, a 1.19-acre parcel which is the subject of a proposed rezoning action. The requested PUD Zoning District for this property is identified as Planning file No. SP08-023 and is described in the City Planning Commission Packet of April 21, 2009.

We protest the proposed rezoning of this property.

We believe that our combined property ownership constitutes at least 20% of the land within 100 feet of the property proposed for rezoning. As such, eight (8) affirmative votes of Ann Arbor City Council should be required to approve the rezoning.
