City of Ann Arbor Proposal B  
Amendment to Alter the Procedure for Filling a Vacancy in Elective Offices

Currently, a vacancy in an elective office is filled by appointment of City Council, regardless of how long is left of the term. If this amendment is approved, a vacancy that occurs with more than half of the term remaining will be filled by appointment until the next regular City election, at which the rest of the term will be contested, so long as the filing deadline for the primary election is thirty days or more after the vacancy occurs.

Shall this proposed amendment to the Ann Arbor City Charter be adopted?

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Clinton Community Schools, Lenawee and Washtenaw Counties, Michigan, be renewed by 18 mills (\$18.00 on each \$1,000 of taxable valuation) for a period of 2 years, 2019 and 2020, and also be increased by .5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 2 years, 2019 and 2020, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2019 is approximately \$965,216 (this is a renewal of millage that will expire with the 2018 levy and the addition of millage which will be levied only to the extent necessary to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?
