

8/10/16

Dear Historic District Commission Members:

We reside at 114 Crest, next to the applicants (Andy Newman and Shaira Daya) at 116 Crest and have an adjoining backyard. We have reviewed their plans for a home addition. We have no objection to the addition, and we think it will be an asset to the neighborhood. We write to express our support for the application.

Sincerely,

Isaak & Amanda Murshak
