AIRSPACE CASE NUMBERS: 14-AGL-12NR & 14-AGL-13NR

TO ALL INTERESTED PARTIES

PROPOSAL: The Federal Aviation Administration (FAA) has been advised by Mr. Paul Drobnik, Manager, Ypsilanti System Support Center, of his request to decommission the Jackson (JXN) Outer Marker (OM) and JASKO Locator Outer Marker (LOM), at the Jackson County Airport-Reynolds Field, Jackson, Michigan. The facility is no longer needed to maintain the National Airspace System (NAS) due to the current runway realignment project. Should the study show that the decommissioning the JXN OM and JASKO LOM would not be detrimental to the NAS, the device will be removed without replacement.

PROPONENT: Paul Drobnik
Manager, Ypsilanti System Support Center
8808 Beck Road
Belleville, MI 48111

LOCATION: The physical components of this system are located:

OM: 14-AGL-12NR
Latitude: 42° 19' 04.19"
Longitude: -084° 21' 56.03"

LOM: 14-AGL-13NR
Latitude: 42° 19' 04.19"
Longitude: -084° 21' 56.03"

This circularization is intended to provide the public with the opportunity to review and comment to the effect this proposal may have on aeronautical activity. The issuance of this non-rule circular is to give notice of impending action within the National Airspace System.

Comments regarding this proposal should be made in writing and directed to:
