Re: Proposed Amendment to Old West Side Residential Parking Permit District

Dear Property Owner or Resident:

This letter is to notify you of a proposed amendment to a portion of the Old West Side Residential Parking Permit District on Second Street from West Liberty Street to approximately 200 feet south. This amendment would change the allowable parking time on this portion of Second Street from 2 hours to 30 minutes. All other requirements and regulations for this residential parking permit district would remain the same.

This request was received from the Argus Farm Stop at 325 West Liberty Street in order to provide additional short term parking for their customers, as their lot has limited parking space. This request was sent to the Old West Side Association Board of Directors and received their approval.

The Resolution to approve the above referenced amendment is scheduled to be heard by City Council at their regular session on April 3, 2017. If you are interested in speaking at the Council meeting about this proposed resolution, call the city clerk's office at 734.794.6140 beginning at 8 a.m. on Monday April 3<sup>rd</sup> to reserve one of 10 public speaking times.

If you have any questions, please contact the Customer Service Desk at (734) 994-6000.

Sincerely,

PROJECT MANAGEMENT SERVICES UNIT

Nicholas S. Hutchinson, P.E.  
City Engineer
