Dear city council members:

I live at 2991 Verle and object to the rezoning of the Platt road area under consideration. The congestion on Platt already makes it difficult for me to leave my driveway. The high density of people in such a small area is unsafe and unhealthy. I feel that this area of Ann Arbor is subjected to more than an average amount of low income people. It lowers our housing values. If there is any way to avoid rezoning I am in favor of stopping this project.
