Subject: "Special Exception"

Dear Honorable Members of the Ann Arbor Planning Commission,

Please pass a "Special Exception" for the home on Wayne Street in the Second Ward so that the community of Jesuit men will be able to live together as a religious community. The definition of "community" extends far beyond the narrow meaning of "nuclear family." Nor is it defined, in contemporary life, as limited in number.

In the present case, these men live together in a willingness to serve one another and the community in which they reside. I am familiar with this community and consider them friends, each one. As a resident of the Second Ward, I have absolutely no reservation in considering them neighbors, as well.

Sincerely,

Anne Laurance
