

Homework and Study Guide

To effectively prepare for the March 2019 Transportation Commission meeting please review materials hyperlinked within the meeting agenda.

Additionally, please review materials included and referenced within this study guide. These materials have been compiled to provide background and information to guide Transportation Commission discussion.

Energy Commission Electric Vehicle (EV) Readiness Subcommittee - Transportation Commission representative

The Energy Commission has formed an Electric Vehicle (EV) Readiness Subcommittee to pursue an EV Readiness Ordinance through City zoning code. The Subcommittee is currently learning about what is in ordinances passed by other cities for the residential, commercial, and multifamily sectors. The Subcommittee is seeking participation from a Transportation Commissioner. If you are interested in volunteering for the Subcommittee please email kcoleman@a2gov.org.

Six Es Exercise: Education, Enforcement, Engineering, Encouragement, Evaluation, and Equity

An [exercise with the Six Es](#) was discussed at the February 20 Transportation Commission meeting. A presentation on the Six Es is scheduled for March 20. Volunteers to coordinate reports for each E will be identified at the March meeting. Email kcoleman@a2gov.org to submit an advance request to coordinate one of the Es. Please also come prepared for a detailed discussion about each E:

- What are your ideas for best practice?
 - What things have you seen that seem effective?
 - Where do you see opportunities for improvement on any one of the Es?
-
