Hello-

After consulting with the mayor and councilman Taylor, they encouraged me to apply for a block party permit for the evening of Halloween (5:30-8:30pm) to eliminate traffic dangers while 600-700 costumed children fill our sidewalks and streets.

While our entire Burns Park neighborhood is a popular destination, we have identified Granger – between Olivia and Ferdon-- as the blocks that get the heaviest concentration of children.

We would love to get approval for that entire stretch but understand that, for safety reasons, it might need to be contained to Olivia – Baldwin.

Once I get notice of your response I will collect the necessary signatures from my neighbors.

Thanks,

Jeff Meyers
