Subject: Rezoning

We are Milton and Dolores Moore living at [REDACTED] and have no objections concerning the rezoning at 1200 S. Main Street if it only means a parking lot. But, if it means a parking structure, we strongly object. I am sure a structure would bring the value of our property down. Our city council members have failed us once in the past concerning the sale of Michigan goods on football Saturdays by not giving us a years notice to stop selling on our property. Please don't fail us again. Thank you for your consideration. Dolores Moore.

Subject: Rezoning of AAA Building from Office to Parking

To Whom it May Concern:

My name is Audrey Sakalys and I live at [REDACTED]!. Regarding the rezoning of 1200 South Main Street, if after the AAA building is removed and the lot would remain just a parking lot, I would have no objections.

However, if there were to be some sort of parking structure such as a parking garage erected, I would strongly object. I can't imagine sitting out on the back deck to the view of a parking garage. If for some reason, we would have to move in the future, I am sure it would detract from the value of the house.

Thank you for your consideration in this matter.
