A2 Fix It, also available on your mobile device through the Apple App or Google Play store, and can be used to report:

- Potholes
- Missed cart pickups
- Crosswalk issues
- Snow/ice on roads or sidewalks
- Graffiti on public property
- Dead or dying street trees
- Street light outages
- Traffic signal/sign problems

A video tutorial is available.

A2 Fix It allows users to upload a photo with each request, as a visual reference to help staff quickly locate the problem. It is also helpful for requests to be as detailed as possible.

Please call 9-1-1 for police/fire assistance, crimes in progress or life threatening emergencies.
