

Closing & barricading Washington between Fletcher & Thayer Street (as per the city placement 06,07, 08, 09)
 Power cable will cross Washington Street shown here apx. 3rd booth in from Fletcher (as per 06, 07, 08, 09)
 Cable will have protective covering to protect it from truck traffic for N. Quad project.
 Final placement of cable will be subject to project manager's input, this map serves as an approximation.
 Construction, Emergency and Festival traffic will move street barricading as needed.
