

In response to Councilmember Anglin’s request for images of what type of changeable copy signs would be allowed under the proposed amendments to Chapter 61, the following information is provided:

Example of Digital Changeable Copy

BP Gas Station, 300 N. Main, Ann Arbor. This wall-mounted sign is approximately 6 ft x 6 ft, and the changeable copy portion is approximately 3 ft x 5 ft, which is less than 50% of the sign face and within the allowable 15 sq ft maximum.

Example of Manual Changeable Copy

This two-sided ground sign is approximately 4 ft x 6 ft (the address on the pylon would not count). The changeable portion is approximately 2 ft x 5 ft per side, which is less than 50% of the sign face and within the allowable 15 sq ft maximum.
