He stated that The Delonis Center has been operating in an emergency mode as of January 17, 2014. Mr. Powers noted that during the extreme cold and emergency operations, no one would be denied access to warmth at Delonis due to past incidents. The Delonis Center can accommodate up to 200 people. Additional community shelters and warming centers are in operation as stated by Mary Jo Callan of the Office of Community Development at Council's last regular session.

PUBLIC COMMENTARY - RESERVED TIME (3 MINUTES PER SPEAKER)

*** (SPEAKERS ARE NOT PERMITTED TO GRANT THEIR RESERVED TIME TO AN ALTERNATE SPEAKER)**

*** ACCOMMODATIONS CAN BE MADE FOR PERSONS NEEDING ASSISTANCE WHILE ADDRESSING COUNCIL**

1. Michael Vannieuwstadt - Project Budget for the Construction Phase of Waldenwood Drive Sidewalk (DS-1)

Michael Vannieuwstadt, 3904 Penberton, addressed Council regarding the Resolution on the Project Budget for the Construction Phase of Waldenwood Drive Sidewalk. He said that he was happy to hear that there were funds available, but this was not a wise way to spend the available funds. He expressed concerns with safety at the crosswalk near King School and asked that the Resolution not be approved at this time, in order to allow more time to study the report.

2. Kathryn Dacosta - Project Budget for the Construction Phase of Waldenwood Drive Sidewalk (DS-1)

Kathryn Dacosta, 3885 Waldenwood, addressed Council regarding the proposed Resolution on Project Budget for the Construction Phase of Waldenwood Drive Sidewalk. Ms. Dacosta expressed concern with the current crosswalks. She said there is a lot of vehicular traffic near the entrance of the school and it can be very distracting for parents picking up and dropping off their children.

3. Bob Miller - Public Art Update

Bob Miller, 801 W. Liberty, Chair of the Ann Arbor Public Art Commission, gave an update on the Commission's work. He said that the Commission has followed the direction of Council and has made changes to the structure of how and what projects they move forward and they are exploring new opportunities for partnerships. AAPAC is currently managing the balance of the 1% projects from 2011, 2012 and 2013. Those projects are the Argo Cascades, Stadium Bridges, Kingsley and First Garden, as well as a number of community directed projects.

4. Kurt Gleichman - Fracking

Kurt Gleichman, 7218 Steeplechase, Saline, MI, expressed to Council the urgency to prioritize anti-fracking and anti-injection regulations into its Ordinances. He said that the Environmental Commission has been working on resolutions and they understand the hazards involved with fracking. He added that thousands of signatures have been collected in Ann Arbor to ban fracking.

5. Leon Bryson - Fracking Moratorium

Leon Bryson, 636 Center Dr., addressed Council regarding support for a local Resolution to ban Fracking in Ann Arbor. He expressed concern with the possible contamination of the water supply if fracking were allowed.

CC COMMUNICATIONS FROM COUNCIL*COUNCILMEMBER WARPEHOSKI*

Councilmember Warpehoski responded to the public comments made regarding fracking. He said that the Environmental Commission is working on the issue. He noted that the City of Ann Arbor has already banned mineral extractions within the City limits, but there are still some potential loop holes that City staff is working to correct. One issue currently being studied is whether or not a fracking installation outside the City limits might allow fracking under the City limits. Councilmember Warpehoski stated they are working to ensure that is prohibited. Another issue is the disposal of fracking waste; whether liquid waste through a chemical injection well or other forms of waste disposal. He said that Ann Arbor is leading the way on this issue; however, one challenge is that townships do not have the authority to ban fracking. Councilmember Warpehoski stated statewide changes are needed.

COUNCILMEMBER PETERSEN

Councilmember Petersen said that she and Councilmember Lumm hosted a town hall meeting on January 16, 2014 where they heard from Joan Doughty, Executive Director of the Community Action Network. She provided an update on the families that were displaced at Green Baxter Court on Green Road after a fire earlier this month. She said that the majority of them are staying in a hotel and they would be there for up to 30 more days. One family was moved to Ypsilanti. She wanted the public to know that they are still accepting donations for those families. Additional information about helping the victims can be found at www.canannarbor.org.

COUNCILMEMBER KUNSELMAN

Councilmember Kunselman read communications that Council received last week regarding the Crosswalk Ordinance and the ongoing concerns that residents and drivers in the City have with the ordinance.

COUNCILMEMBER LUMM

Councilmember Lumm thanked Councilmember Petersen for the update about what CAN was doing for the displaced families at Green Baxter Court.

She also acknowledged the North Rotary Club, in their effort to provide storage for the family's belongings that were salvaged, even though most belongings were lost. She said that if the community would like to donate, they can go to the Community Action Network website to get more information. If someone would like to share clothing and other items, CAN is encouraging people to make those donations at Kiwanis and other similar organizations. She thanked the community for the outpouring of support.

Councilmember Lumm announced that a meeting would be held on February 5, 2014 at the Gallup Park Conference Room from 6:30 to 8:00 p.m. to discuss the Millers Creek Sediment Accumulation Management Study. The meeting is open to the

public.
