City of Ann Arbor 2008 – 2013 Park Maintenance and Capital Improvements Millage Status: **For Fiscal Year 2011 – 2012**

City of Ann Arbor voters approved a six-year park millage in November 2006 that funds current, ongoing improvements to Ann Arbor's park system, which consists of 157 parks spanning over 2,088 acres. The table below lists park development, maintenance and improvement projects funded through your support of this millage; the fiscal year (FY) in which the improvement occurred is indicated. Also indicated on this table are park improvements made possible through other funding sources, as specified.

If you have questions or comments regarding the projects below, please contact Parks and Recreation Services Manager Colin Smith at 734.794.6000, ext. 42500, or cssmith@a2gov.org. We hope you enjoy all that the Ann Arbor parks system has to offer!
