Attachment to application for Membership in a City Committee

In my application for a position on the Medical Marihuana Dispensary Licensing Board of the City permit me to point out that I am the author of "The Wild West", article that appeared in the Ann Arbor Observer in November of 2010 (pp. 29-33). In that capacity I was able to enter most of the dispensaries and clinics within the city and became acquainted with the staff. Further, I am on good terms with every one of them.

I am a patient, have a Michigan Department of Community Health Medical Marihuana Program card registry number P180141-111201.

In 1965 I wrote Pot: A Handbook of Marihuana, went to the penitentiary in 1966, and the book was published in 1967.

Although unaware of the duties of the Board, I would like to apply, be accepted, and find out if the position is suitable.
