

AN ORDINANCE TO ADD A NEW SECTION 9:42 TO AND AMEND SECTIONS 9:38, 9:45, AND 9:52 OF CHAPTER 107 (ANIMALS) OF TITLE IX OF THE CODE OF THE CITY OF ANN ARBOR

The City of Ann Arbor Ordains:

Section 1. That Section 9:38 of Chapter 107 of Title IX of the Code of the City of Ann Arbor be amended to read as follows:

9:38. Domestic animals and fowl.

- (1) No person shall keep or house any animals or domestic fowl within the city except dogs, cats, rabbits, canaries or small animals commonly classified as pets which are customarily kept or housed inside dwellings as household pets.
- (2) Subsection (1) shall not apply to animals or fowl that are kept or housed at city park facilities for exhibition.
- (3) Subsection (1) shall not apply to the keeping of chickens in compliance with all requirements of Section 9:42.
- (4) Nothing in this Chapter shall prohibit the City or a third party from bringing a nuisance action based on the keeping of animals.

Section 2. That Section 9:42 be added to Chapter 107 of Title IX of the Code of the City of Ann Arbor to read as follows:

9:42. Keeping of Chickens.

- (1) Any person who keeps chickens in the City of Ann Arbor shall obtain a permit from the City prior to acquiring the chickens. No permit shall be issued to a person, by the City, and no chickens shall be allowed to be kept unless the owners of all the adjacent properties (as defined below in subsection 3 (j)) consent in writing to the permit and this consent is presented along with an application for a permit. Written statements waiving the distance requirement in subsection (3) below shall also be submitted at the time of application and become a part of the permit if issued. Application shall be made to the City Clerk and the fee for the permit shall be as determined by Council resolution.
- (2) Notwithstanding the issuance of a permit by the City, private restrictions on the use of property shall remain enforceable and take precedence over a permit. Private restrictions include but are not limited to deed restrictions, condominium master deed restrictions, neighborhood association by-laws, and covenant deeds. A permit issued to a person

whose property is subject to private restrictions that prohibit the keeping of chickens is void. The interpretation and enforcement of the private restriction is the sole responsibility of the private parties involved.

- (3) A person who keeps or houses chickens on his or her property shall comply with all of the following requirements:
- a. Have been issued the permit required under subsection (1) of this section.
 - b. Keep no more than four (4) chickens.
 - c. The principal use of the person's property is for a single-family dwelling or two-family dwelling.
 - d. No person shall keep any rooster.
 - e. No person shall slaughter any chickens.
 - f. The chickens shall be provided with a covered enclosure and must be kept in the covered enclosure or a fenced enclosure at all times. Fenced enclosures are subject to all provisions of Chapter 104 (Fences).
 - g. A person shall not keep chickens in any location on the property other than in the backyard. For purposes of this section, "backyard" means that portion of a lot enclosed by the property's rear lot line and the side lot lines to the points where the side lot lines intersect with an imaginary line established by the rear of the single-family or two family structure and extending to the side lot lines.
 - h. No covered enclosure or fenced enclosure shall be located closer than ten (10) feet to any property line of an adjacent property;
 - i. All enclosures for the keeping of chickens shall be so constructed or repaired as to prevent rats, mice, or other rodents from being harbored underneath, within, or within the walls of the enclosure. A covered enclosure or fenced enclosure shall not be located closer than forty (40) feet to any residential structure on an adjacent property provided, however, this requirement can be waived as follows:
 - (i) If the principal use of applicant's property is for a single-family dwelling, to obtain such a waiver the applicant shall present at the time of applying for a permit the written statements of all adjacent landowners that there is no objection to the issuance of the permit.
 - (ii) If the principal use of the applicant's property is for a two-family dwelling, to obtain such a waiver the applicant shall present at the time of applying for a permit the written statements of all adjacent landowners and of the occupants of the other dwelling stating that there is no objection to the issuance of the permit.

j. For purposes of this section, adjacent property means all parcels of property that the applicant's property comes into contact with at one or more points.

k. All enclosures for the keeping of chickens shall be so constructed or repaired as to prevent rats, mice, or other rodents from being harbored underneath, within, or within the walls of the enclosure.

l. All feed and other items associated with the keeping of chickens that are likely to attract or to become infested with or infected by rats, mice, or other rodents shall be protected so as to prevent rats, mice, or other rodents from gaining access to or coming into contact with them.

(4) A person who has been issued a permit shall submit it for examination upon demand by any police officer or code enforcement officer.
