

THANK
YOU

To Jill Thacher and
members of the Historic District
Commission,

June 201

Just a quick note to thank you for your
recent approval of our plans to renovate
our house at 508 Third Street.

We are looking forward to living in
Ann Arbor again, especially in the
Old West Side.

We appreciate the HDC and your diligent
efforts to preserve and protect the historic
treasures and character of these
wonderful neighborhoods.

Sincerely,
Larry and Kathy Bates
