

# Review Memo

To: Chris Cheng, Planning and Development Services  
From: Cynthia Redinger, PE, PTOE, Public Services Area – Engineering  
CC: Via Trakit  
Date: February 5, 2019  
Re: SEU18-035: Bristol Ridge Townhomes, Traffic Comments Final

---

## Trip Generation:

- Trip generation provided for this site indicates that the application will not require a transportation impact analysis report to be prepared

## Plans:

- The applicant determined available intersection and stopping sight distance at the proposed driveway location. As noted in the applicant's memo, the driveway location was adjusted to meet sight distance needs.
