I. Main Street Area Business Improvement Zone Boundary

The Main Street Business Improvement Zone (the “BIZ”) was established under Chapter 2 of Act 120 of 1961, as amended, of the Michigan Compiled Laws (the “BIZ Statute”) by a Zone Plan approved in 2010 to include as its zone area the commercial properties on the east and west sides of Main Street from Huron Street on the north to William Street on the South. By this amended Zone Plan, the zone area of the BIZ is expanded to additionally include commercial

properties in parcels to the east and west of the original zone area, and the name of the BIZ is changed to the Main Street Area Business Improvement Zone, the term of the BIZ is expanded and other changes are made to the governance of the BIZ.

The zone area of the Main Street Area Business Improvement Zone (the “Zone Area”) is (a) bounded on the north by the south side of Huron Street (from east side of South Ashley Street to west side of South Fifth Avenue); (b) bounded on the east by the west side of South Fifth Avenue (from south side of East Huron Street to the north side of East Liberty Street), by the north side of East Liberty Street (from the west side of South Fifth Avenue to the west side of South Fourth Avenue), by the west side of South Fourth Avenue (from the north side of East Liberty Street to the north side of East William Street); (c) bounded on the

south by the north side of East William Street (from the west side of South Fourth Avenue to the east side of South Ashley Street); and (d) bounded on the west by the east side of South Ashley Street (from the north side of West William Street to the south side of West Huron Street).

The proposed boundary was adopted by the Board of Directors of the BIZ in July, 2013. *Proposed services do not include services to the alleys or the property frontage along the alleys.*

Within the proposed expanded Zone Area of the BIZ district boundary are both commercial properties and properties identified on the Ann Arbor City Tax Rolls as tax-exempt and residential properties. Only commercial properties will be subject to the Main Street Area BIZ assessment; *tax-exempt properties and residential properties are not included in the BIZ assessment formula or petition process, as required by the BIZ Statute.*

A Zone Map appears in Attachment A.

II. Term of Operation

As permitted by the State Statute, the term of the amended BIZ, originally established to expire on June 30, 2017, will operate for ten (10) years, beginning July 1, 2014 and ending, unless renewed or dissolved, on June 30, 2024.

III. BIZ Services

The purpose of the BIZ is to achieve the highest quality, best maintained urban commercial environment that is financially possible. To accomplish this, the BIZ will arrange for, oversee, and fund the following projects in the Zone Area:

Sidewalk Snow Removal

Wintry weather can be an impediment to shopping anywhere in Michigan. But if the customers confront sidewalks with ice or snow, and crosswalks impassable with slush, they will not return. The BIZ will address this problem by providing the following sidewalk snow removal services to commercial properties in the Zone Area:

- Environmentally friendly snow-melting compounds will be applied to any accumulations under one-inch. Applications will extend from storefront vestibules to 12 inches into the roadbed, and will include all crosswalks and curb cuts.
- Accumulations of more than one inch will be shoveled, again from the storefront vestibule to 12 inches into the roadbed and all crosswalks and curb cuts.
- When snow accumulation reaches three inches above the curb line (nine inches from the roadbed), snow will be cleared two-feet into the roadbed from the curb, in order to facilitate customer mobility from cars to shops.
- Major accumulations of snow will be moved to designated locations between planter beds, and will be removed from the district within 24 hours of the end of the snow event.
- Snow removal services will be completed by 6:30am and will be repeated, as necessary, when accumulation reaches one inch.
- Up to forty (40) snow removal visits per year will be funded; any unused visits will roll over to the next season.

Sidewalk Cleaning

While snow can impede access to during the winter, a dirty, littered sidewalk can discourage patronage year round. The BIZ will provide the following year-round services to commercial properties in the Zone Area:

- Vacuum clean the sidewalks from the storefront vestibule to 12 inches into the roadbed once a week, from April 1 to November 30
- Power washing and gum removal will be conducted twice per year, from the storefront vestibule to 12 inches into the roadbed.
- Handbills will be removed from all surfaces in the public realm (lampposts, news boxes, telephone poles, public phones, water fountains, trash cans, etc.), once a week.
- Graffiti will be removed from vertical and horizontal surfaces in the public realm (not on private property), on demand, and not to exceed 24 graffiti removal calls per year.

Landscaping

Creating and maintaining a world-class downtown environment requires the investment of time, money, and attention. The BIZ will build upon the attractive urban landscape in the Zone Area by contributing funds toward the planting and plant maintenance of the 44 planter boxes along Main Street and in other planting areas that have been or will be established throughout the Zone Area.

The duration of each of the services will continue through the entire ten-year term of the BIZ, beginning July 1, 2014. The scope and detail of the services will be adjusted over that ten-year period as permitted or dictated by actual conditions and budgetary considerations.

IV. Budget & Assessment Formula

The purpose of a business improvement zone is to create consistently high levels of service in the Zone Area. To do so requires the financial participation of every commercial property owner in the Zone Area. The BIZ provides the mechanism to assess properties, control the funds collected, and govern the process providing those services.

Estimated Budget

In an effort to create the most cost-effective program, the BIZ Board of Directors has created a budget that minimizes to the greatest extent possible operational costs. This has been accomplished by contracting out both the service and management elements of the program. The BIZ does not have and will not create a stand-alone organization with an office, staff, and the overhead required. Rather, the BIZ board will contract with (1) an operations manager, who will oversee the work of the contractors selected to deliver BIZ services and prepare all financial reports of the BIZ; and (2) an administrator, who will maintain contact with the property owners and other stakeholders within the Zone Area, and serve as staff to the BIZ Board of Directors.

Sources of Funds

In accordance with the BIZ Statute, the BIZ will assess commercial properties within the Zone Area. *Residential properties and properties exempt from property taxes are exempt from the assessment by the BIZ Statute.*

However, the BIZ Statute does permit the *voluntary* contribution of funds to the BIZ from residential, governmental, and nonprofit owners. In the case of the BIZ, the Ann Arbor Downtown Development Authority (DDA) has since 2010 made voluntary contributions to the BIZ in lieu of assessment for services rendered to its properties within the Zone Area and the budget estimates of the BIZ (under "Income" above) anticipate a continuation of those contributions and services in the future.

In subsequent years, it is the intention of the BIZ to seek voluntary contributions from owners of residential properties within the Zone Area, as well as to pursue other sources of funding, including grants.

Explanation of Assessment Formula

The BIZ assessment formula establishes a fixed assessment percentage for each commercial property in the BIZ Zone Area based on the number of lineal feet of sidewalks abutting that property and the number of square feet of commercial area in the building on that property. This calculation formula reflects a determination that the services of the BIZ will provide a direct benefit to each property in relieving the property owner of the responsibility for snow removal and cleaning of the sidewalks abutting the owner's property and a common benefit to all properties in landscaping and general maintenance of the BIZ Zone Area. The factors used in the calculations reflect an estimate of the relative cost of the services providing specific benefits and the costs of the services providing common benefits. The factors applied in this calculation are as follows:

- **Direct Benefit** – Improving the condition of the sidewalks directly affects each and every property owner in the Zone Area. Therefore, snow removal and sidewalk cleaning services have been deemed "direct benefits," the cost of which are calculated against the total linear feet of each assessable property in the Zone Area. Direct benefit costs represent sixty percent (60%) of the total assessment for each property.

Based on four years of BIZ budgeting, the estimated direct benefit cost will be assessed at \$21.75/linear foot.

- **Common Benefit** – Supporting the organizational cost of the BIZ and the appearance of the urban landscape is a shared responsibility, a "common benefit." As such, these costs are calculated against the total commercial square footage of each assessable property in the Zone Area. Common benefit costs represent forty percent (40%) of the total assessment for each property.

Based on four years of BIZ budgeting, the estimated common benefit cost will be assessed at \$.0882/commercial square foot.

Example: Property A has 45 linear feet of sidewalk and 7,500 square feet of commercial space. The assessment rate would be calculated as follows:

45 linear feet X \$21.75 = \$978.75 (60% of total)

7,500 commercial square feet X \$.0882 = \$661.50 (40% of total)

Total assessment for Property A = \$1,640.25

Assessment formula: (% that Property A pays to the total assessment of \$273,870) = .59%

The 60% and 40% factors used in the calculations reflect an estimate of the relative cost of the services providing direct benefits and the costs of the services providing common benefits. The percentage relationship of actual costs for these services will, of course, vary from year to year, but for administrative purposes the assessment percentages for each property will remain fixed for the ten-year term of the BIZ.

Attachment B – BIZ Assessment Roster – itemizes the Year One assessment for each commercial property within the district, based on 2013 figures provided by the Ann Arbor City Assessor.

Accounting for Cash Balances and for Repayments of Loans

The budget and assessment in this Zone Plan reflect that as of July 1, 2014, the date when the boundaries of the Zone Areas will be expanded to include the areas to the east and the west of the original zone area, the BIZ will have a beginning cash balance that has been funded by assessments previously paid by the property owners in the original zone area, may have a beginning debt balance of monies still owed to property owners for funding provided in 2009 to fund the costs to establish the BIZ, may have an unspent cash balance of monies which have been funded by loans provided in 2013 and 2014 to fund the expansion of the BIZ to include the areas to the east and the west of the original zone area, and will have debt balance of monies owed for that funding provided in 2013 and 2014 to expand the BIZ. To accurately allocate responsibility for those balances, for each year during the three-year period beginning on July 1, 2014, after assessments are allocated to all property owners on the basis of the uniform formula detailed above, (1) the total amount of the assessments to all property owners in the original zone area will be reduced by the amount that the actual cash balance as of July 1, 2014 attributable to their previously paid assessments exceeds the actual amount then owing for the 2009 loans and the assessments to those property owners will be uniformly adjusted to reflect that reduction and (2) the total amount of the assessments to all property owners in the areas to the east and the west of the original zone area will be increased by the actual amount then owing for the 2013-2014 loans exceeds the actual cash balance as of July 1, 2014 attributable to the actual unspent balances of those loans and the assessments to those property owners will be uniformly adjusted to reflect that reduction. When that three-year period is completed and the adjustments in this paragraph fully account for these separate cash balances and debt balances, all assessments to property owners will be based on the uniform formula detailed above without further adjustment.

Ten-year Budget & Assessment Projections

As required by the BIZ Statute, the Zone Plan must project expenditures over the ten-year life of the plan. While projections can be affected by the level of snow falls, rollover balances from service contracts, contract increases, and the other day-to-day increases incurred in running an organization, the BIZ board of directors will strive to keep increases in expenditures at or below two percent (2%) per annum, as outlined below:

<u>Year</u>	<u>Projected BIZ Expenditures & Assessments</u>
7.1.14-6.30.15	\$273,870
7.1.15-6.30.16	\$279,347
7.1.16-6.30.17	\$284,934
7.1.17-6.30.18	\$290,633
7.1.18-6.30.19	\$296,446
7.1.19-6.30.20	\$302,375
7.1.20-6.30.21	\$308,422
7.1.21-6.30.22	\$314,591
7.1.22-6.30.23	\$320,882
7.1.23-6.30.24	\$327,300
Total Over Ten Years	\$2,998,800

Until or unless other sources of funding are secured, BIZ expenditures and BIZ assessments are equal.

Projected BIZ expenditures will not alter the assessment formula (the percentage of total BIZ assessment applied to each commercial property), as indicated in Attachment B – BIZ Assessment Roster. Changes to the type of services offered by the BIZ or the formula used to assess for services cannot be made without the affirmative vote of a majority of the property owners.

V. Governance & Management

The Main Street Area Business Improvement Zone will be governed by a Board of Directors of five to fifteen members and organized as a body public corporate, as required by the BIZ Statute (see Attachment C – Bylaws of Main Street Area Business Improvement Zone).

As of July 1, 2014, the Board of Directors will be composed of thirteen (13) members. Directors will serve either one, two, or three year terms, and the Board of Directors will include one (1) Director appointed by the Mayor and approved by the City Council, and may include one (1) Director nominated from the ranks of either downtown business tenants or downtown residential property owners. The current Board of Directors will be expanded by three appointments of representatives of owners of commercial properties in the areas in the Zone Area to the east and the west of the original zone area, with the roster as follows:

- Developing administrative procedures relating to the implementation of this Zone Plan.
- Recommending amendments to the Zone Plan.
- Scheduling and conducting an annual meeting of the property owners, to include election of the next year's Board of Directors.
- Developing a Zone Plan following the expiration of the current term of the BIZ.

In addition, the Board of Directors will be responsible for:

- Approving any significant contracts and contractors.
- Adhering to Bylaws for the BIZ consistent with the Zone Plan and the BIZ Statute.

Nomination to the Board

Section 7.3 of the Bylaws for the BIZ outlines the nomination process for the BIZ Board of Directors. (Attachment C)

Selection, Removal and Replacement of Members to the BIZ Board of Directors

Article V of the Bylaws for the BIZ (Attachment C) describes the size of the Board, the required representation, removal from the Board, and replacement of Board members.

Staffing & Administration

The BIZ Board of Directors will contract for management with a qualified company doing business in the City of Ann Arbor. The contractor will be responsible for:

- The management of all contracts for BIZ services;
- All communications and administrative support to the Board of Directors;
- All communications with BIZ Zone stakeholders; and
- The provision of office space, equipment, and any other support required to conduct BIZ activities.

VI. Transparency and Accountability

In addition to its accounting, audit, and governance procedures, the Main Street Area Business Improvement Zone is committed to transparency and accountability in the following ways:

- The BIZ will establish baseline measurements of the current conditions in the Zone Area, for purposes of yearly comparison to improvements to the Zone Area related to BIZ services.
- The BIZ will establish standards of measurement for each of the BIZ services, for purposes of tracking BIZ service performance.
- The BIZ will conduct annual stakeholder and customer satisfaction surveys.
- The BIZ will stay in regular contact with the stakeholders within the Zone Area via written and digital reporting, regularly scheduled meetings of the board of directors, and an annual meeting of the stakeholders within the district.
- The BIZ will maintain and update its website with relevant information regarding BIZ services, meetings, and other communications.
- BIZ leaders will meet with City officials and stakeholder groups as requested.

VII. Amendment of the Zone Plan

As specified in the BIZ Statute, the BIZ Zone Plan may be amended if approved by a majority of the property owners voting on the amendment at the regularly scheduled annual meeting of the property owners, or at a special meeting called for that purpose. Any amendment that involves a change to the assessment also requires approval by the City Council.

VIII. Renewal of the Zone

As specified by the BIZ Statute, the business improvement zone may be renewed for an additional ten (10) year period. Prior to the expiration of the current term of the BIZ, the BIZ Board of Directors must establish a date, time and location for a special meeting and duly notify the property owners at least fourteen (14) days in advance. Approval of the new Zone Plan at the special meeting by sixty percent (60%) of the owners of Zone Property voting at the time constitutes reauthorization of the BIZ for an additional ten-year term. If the new Zone Plan includes any change to the assessment, then the vote of approval of the property owners must be supported by a vote to approve the new Zone Plan by the City Council.

IX. Dissolution of the Zone

The BIZ Statute also specifies the process for dissolution of a business improvement zone: Cause for Dissolution. The BIZ will be dissolved upon the earlier to occur of the following:

- (i) June 30, 2024 unless the owners of the Zone Property reauthorize the BIZ for an additional ten-year period in accordance with the procedures of the BIZ Statute; or
- (ii) The BIZ is dissolved upon written petition duly signed by 30% of the property owners of assessable property with the Zone Area and the vote of 50% or more of the owners of commercial properties in the Zone Area at an annual meeting or a special meeting of those property owners called for that purpose. The petition may not be initiated sooner than two years following the adoption of the BIZ and the dissolution shall not take effect until either all BIZ liabilities are discharged, or the end of the second calendar year after the vote to dissolve, whichever is later.

Procedure upon Dissolution. Upon dissolution of the BIZ, the Board of Directors of the BIZ will dispose of all remaining physical assets of the BIZ and thereafter the proceeds of such disposition and any monies collected through assessments that are not required to defray the expenses of the BIZ shall be refunded on a prorated basis to the owners of commercial properties in the Zone Area from whom the assessments were collected; provided, however, that if the Board of Directors of the BIZ determines such refundable amount is so small as to make impracticable the computation of the refunding of the money, that money may at the discretion of the Board of Directors be transferred to the Treasurer of the City of Ann Arbor for deposit in the Treasury of the City of Ann Arbor. Any assets of the BIZ that are not disposed of shall be transferred to the City of Ann Arbor.

X. Timetable

In January of 2014, the BIZ Board of Directors approved of the expansion of the Zone Area and the adoption of this amended Zone Plan, subject to receipt of required approvals by the property owners in the original Zone Area, the Ann Arbor City Council and the property owners in the areas to be added to the Zone Area by this amended Zone Plan.

A special meeting of the property owners in the original Zone Area is being convened in February of 2014 to approve of the expansion of the Zone Area and the adoption of this amended Zone Plan, subject to receipt of required approvals by the Ann Arbor City Council and the property owners in the entire expanded Zone Area.

In March of 2014, (1) the owners representing at least 30% of the commercial properties in the expanded Zone Area will submit a Petition to the Ann Arbor City Council requesting that the expanded Zone Area be established as a business improvement zone and included in the Zone Area of the BIZ under this amended Zone Plan and request that the City Council schedule a Public Hearing regarding that Petition. The subsequent steps required for the establishment of a BIZ are as follows:

April

- Public Hearing regarding the Petition to establish the expanded Zone Area as a business improvement zone.
- If approved, the City Council votes to direct the City Clerk to conduct election of the owners of the expanded Zone Area regarding the establishment of those areas as a business improvement zone of the BIZ
- City Council votes to direct City Clerk to conduct BIZ election

May

- BIZ Election to be conducted by City Clerk
- If approved, the assessment role for the expanded Zone Area of the BIZ is forwarded to City Treasurer

June

- BIZ assessment to be sent as line item on the 2014 summer tax bill for each of the commercial properties in the expanded Zone Area of the BIZ

July

- This amended Zone Plan becomes effective and the Main Street Area Business Improvement Zone begins operation over the expanded Zone Area with the expanded Board of Directors

XI. Conclusion

Every owner of commercial property in the expanded Zone Area has made a significant investment in that property. And everyone is invested in the future of the Zone Area for the long term. The Main Street Area Business Improvement Zone will help to enhance that investment and take care of the Zone Area while the owners and tenants take care of business.

ARTICLE IV

PROPERTY OWNERS

4.1 ANNUAL MEETINGS OF PROPERTY OWNERS.

A. The Annual Meeting of the Property Owners shall be held on such date and time in the month of May of each year beginning in 2015 and at such place in

the City of Ann Arbor available to the public and reasonably accessible from the Zone Area as determined by the Board.

B. The business conducted at the annual meeting of the Property Owners shall include:

1. Electing individuals to fill expiring terms on the Board (if any), including the terms of any Directors elected by the Board of Director to fill vacancies;
2. Receiving and discussing a report on the activities of the Business Improvement Zone during the preceding calendar year;
3. Receiving and discussing a report on the financial activities and status of the Business Improvement Zone;
4. Considering any amendments to the Zone Plan proposed by the Board; and
5. Considering such other business within the powers of the Property Owners as may be proposed by the Board, a Property Owner or a person acting as proxy for a Property Owner.

4.2 SPECIAL MEETINGS OF THE PROPERTY OWNERS.

The Board may call a Special Meeting of the Property Owners to consider such business as the Board considers appropriate and shall call a Special Meeting of the Property Owners upon the written request of Property Owners holding or representing at least ten (10%) of all the Per Property Owner Votes. A Special Meeting shall be held at such place in the City of Ann Arbor available to the public and reasonably accessible from the Zone Area as determined by the Board. At a Special Meeting, the Property Owners shall consider only such business as specified in the resolution of the Board calling the meeting or in the written notice of Property Owners requesting the meeting.

4.3 NOTICE OF MEETINGS OF THE PROPERTY OWNERS.

A. The Corporation shall provide public notice of all Annual Meetings and Special Meetings of the Property Owners, including adjourned, recessed and rescheduled meetings, as required by the Open Meetings Act.

B. At least fourteen (14) days prior to each Annual Meeting or Special Meeting of the Property Owners, the Corporation shall provide written notice to each Property Owner and to each tenant of Zone Property of the time and place of each Annual Meeting and Special Meeting of the Property Owners (and of the purpose or purposes of each Special Meeting of the Property Owners) by first class mail addressed to the Property Owner or tenant at the address provided by the Property Owner or tenant to the Corporation for that purpose, or if none has been provided, at the Property Owner's or tenant's address (if any) as shown in the records of the Ann Arbor City Treasurer as of a date not more than ninety (90) days before the date on which the

notice is given. The written notice of the Annual Meeting of the Property Owners shall also include information about the availability of reports on the activities and financial status of the Business Improvement District. No such written notice is required for an adjourned, recessed or rescheduled meeting of the Property Owners. Except as otherwise required by the BIZ Statute, as long as notice of a meeting of the Property Owners has been given in accordance with the Open Meetings Act, the failure to give or receive written notice by mail or any defect in such written notice shall not affect the validity of any meeting or of any action taken at a meeting by the Property Owners.

4.4 QUORUM.

A minimum of ten (10%) percent of the Property Owners (without regard to assessed value or number of Zone Area tax parcels owned or represented) present in person or by proxy constitute a quorum for the transaction of business at any Annual or Special Meeting of the Property Owners. Property Owners present in person or by proxy at an Annual or Special Meeting of the Property Owners may continue to do business until adjournment or recess, notwithstanding the withdrawal of enough Property Owners to leave less than a quorum. Whether or not a quorum is present, a meeting of the Property Owners may be adjourned by the vote of the Property Owners present.

4.5 PROXIES.

A. Subject to the limitation below, a Property Owner may authorize one (1) or more persons (including Directors) to act for the Property Owner by proxy. A proxy shall be in writing and signed by the Property Owner or by an agent or representative of the Property Owner and shall be notarized. Unless otherwise provided in the proxy, a proxy is not valid after the expiration of three (3) years from its date. A proxy is revocable at the pleasure of the Property Owner executing it.

B. Unless the instrument appointing a person to act on behalf of a Property Owner specifically states otherwise, a person designated in a proxy shall not be considered to be a Property Owner or to be an agent of the Property Owner for purposes other than voting and taking other actions at meetings of the Property Owners.

C. One person or group of persons may not act as a proxy for more than five (5) different Property Owners at one time; provided, however, that the Board may designate one (1) or more Directors to exercise proxies on behalf of the Property Owners who shall not be subject to that limitation. For purposes of applying the preceding limitation, however, a group of business entities under common control or the Property Owners of a single family (consisting of an individual and that individual's spouse, parents, descendants and spouses of descendants) shall each be considered to be a single Property Owner. Any limitations on Weighted Votes cast by a person acting as proxy for multiple Property Owners shall be determined for each Property Owner separately.

4.6 VOTING.

A. Each Property Owner shall be entitled to cast a number of votes equal to the Weighted Vote of the Property Owner with respect to each of the following matters:

1. The adoption of an amendment or amendments to a previously approved Zone Plan;
2. The adoption of a new 10-year Zone Plan; and
3. The dissolution of the Business Improvement District.

An amendment to or renewal of a Zone Plan that changes the assessment or extends an assessment beyond the period previously approved by the Ann Arbor City Council shall require approval by the Ann Arbor City Council as well as by the Property Owners to be effective.

B. Each Property Owner, present in person or by proxy, shall be entitled to cast one (1) vote (the Per Property Owner Vote) on each matter coming before the Property Owners other than the actions listed in Section 4.6A. Such votes shall not be affected by the number of Zone Properties owned by the Property Owner or their taxable values.

C. The approval of a new 10-year Zone Plan shall be authorized by at least sixty percent (60%) of the Weighted Votes cast, in person or by proxy, by Property Owners entitled to vote on the matter at the meeting. When an action other than the approval of a new 10-year Zone Plan or the election of Directors is to be taken by vote of the Property Owners, it shall be authorized by a majority of the votes cast, in person or by proxy, by Property Owners entitled to vote on the matter at the meeting.

D. In the election of Directors, each Property Owner may cast one (1) vote, in person or by proxy for as many persons as there are Directors to be elected. Directors shall be elected by a plurality of the votes cast at an election. If Directors are to be elected to fill terms that have different durations, the candidates receiving the highest number of votes shall serve in the positions having the longest terms (unless candidates have been nominated for or have chosen to run for specific terms).

E. All Weighted Votes on behalf of Property Owners shall be cast in writing.

F. The fact that a particular Zone Property is owned by more than one (1) person does not affect the total Weighted Vote or Per Owner Vote that may be cast by the Property Owner in the election of Directors or on other matters coming before the Property Owners. If the records of the Ann Arbor City Treasurer show that a parcel of Zone Property is owned by two or more persons, any one of those persons may cast the entire Weighted Vote or Per Owner Vote of the Property Owner, in person or by proxy, at a meeting of the Property Owners, unless another person shown as an owner of the Zone Property in the records of the Ann Arbor City Treasurer seeks to vote. In the latter event, the Weighted Vote or the Per Owner Vote (a) shall be allocated equally between owners who hold Zone Property tenants by the entirety; (b) shall be allocated equally among those owners seeking to vote who hold Zone Property as joint tenants; and (c) shall be allocated among those owners seeking to vote who hold Zone Property as tenants in common in proportion to their respective interests in the Zone Property.

G. For purposes of determining voting rights under Sections 4.6B and 4.6D: (1) two or more Zone Properties that are shown in the records of the Ann Arbor City Treasurer as having multiple owners shall be treated as being held by a single Property Owner if, but only if, the identities of all the owners as shown in the records of the Ann Arbor City Treasurer are the same; and (2) the voting rights of a person acting as a designated agent or proxy shall be determined based upon the ownership of the Zone Properties represented, as shown in the records of the Ann Arbor City Treasurer.

4.8 CONDUCT OF PROPERTY OWNER MEETINGS.

All meetings of the Property Owners shall be conducted in accordance with the applicable provisions of the Open Meetings Act. A chair shall preside at each meeting of Property Owners. In the absence of a specific selection by the Board, the chair shall be the Chairman or another Director designated in writing by the Chairman. Subject to the provisions of these Bylaws, the Open Meetings Act and other applicable law, the Board may establish reasonable rules and regulations for the conduct of meetings that are fair to Property Owners and to others attending the meeting. The chair of the meeting shall announce at the meeting when the polls close for each matter voted upon. If no such announcement is made, the polls shall be deemed to have closed upon the earlier to occur of the beginning of voting on the next matter coming before the Property Owners or the final adjournment of the meeting. After the poll is closed, no ballots, proxies or votes, nor any revocations or changes thereto may be accepted.

ARTICLE V

BOARD OF DIRECTORS

5.1 BOARD COMPOSITION.

The affairs of the corporation shall be managed by a Board of Directors consisting of not less than five (5) and not more than fifteen (15) Directors.

5.2 DUTIES OF THE BOARD OF DIRECTORS.

The Board shall be the governing body of the Corporation and shall manage the activities of the Business Improvement Zone and the implementation of the Zone Plan, including approving annual budgets and work programs. Specific duties of the Board include the following:

- A. Developing administrative procedures relating to the implementation of the Zone Plan.
- B. Recommending amendments to the Zone Plan as necessary.
- C. Scheduling and conducting Annual and Special Meetings of the Property Owners.
- D. Developing a proposed Zone Plan for the next 10-year period.

- E. Approving the hiring or removal of an independent contractor or employee to serve as an operations manager for the Business Improvement Zone.
- F. Approving any contract or contracts for delivery of services to the Business Improvement Zone.
- G. Approving other contracts for the Business Improvement Zone requiring payments in excess of amounts established from time to time by resolution of the Board of Directors.
- H. Allocating funds between service elements in the Zone Plan as is prudent and responsive, and based on historic data, and based on a two-thirds (2/3) affirmative vote of the board of directors present at the meeting in which the vote is being taken.

5.3 QUALIFICATIONS OF DIRECTORS.

Each Director (other than the Director who may be nominated by the Mayor and approved by Ann Arbor City Council) must be:

- A. An individual who meets one (1) of the following requirements:
 - 1. Is a Property Owner;
 - 2. Has been designated in writing by a Property Owner;
 - 3. Is an owner of property in the Zone Area that is exempt from the payment of real property taxes but voluntarily contributes to the Business Improvement Zone under written agreement;
 - 4. Has been designated in writing by an owner of property in the Zone Area that is exempt from the payment of real property taxes but voluntarily contributes to the Business Improvement Zone under written agreement;
 - 5. Is a proprietor or an owner of a business occupying space in the Zone Area under a lease that requires that the tenant pay or reimburse the landlord for BIZ Assessments;
or
 - 6. Has been designated in writing by a proprietor or an owner of a business occupying space in the Zone Area under a lease that requires that the tenant pay or reimburse the landlord for BIZ Assessments;
- B. An individual who at all times is not, or represents the owner or tenant of property in the Zone Area that is not, delinquent in the payment of BIZ Assessments, payments to a landlord reimbursing BIZ Assessments or contractual payment to the Business Improvement Zone, as the case may be.

A Director who has failed to meet the applicable requirements either Section 5.3A or 5.3B for a period of thirty (30) days shall cease to be a Director unless the Board has adopted a resolution extending the period for compliance. Whether or not the Board has adopted such a resolution, a Director who has failed to meet all of the applicable qualifications in this Section 5.3 for a period of sixty (60) days, shall immediately cease to be a Director and his or her position on the Board shall be considered to be vacant.

5.4 SELECTION AND REMOVAL OF DIRECTORS

A. One (1) position on the Board (which is identified in the Zone Plan) shall be filled by an individual nominated by the Mayor of the City of Ann Arbor and approved by the Ann Arbor City Council That Director may be appointed for a one (1), two (2), or three (3) year term and shall serve at the pleasure of the Mayor. Other Directors shall serve for one (1), two (2) or three (3) year terms, as set forth in the Zone Plan or in the resolutions of the Board establishing the size of the Board.

B. The other positions on the Board shall initially be filled by the individuals identified in the Zone Plan. These other Directors shall serve for one (1), two (2) or three (3) year terms, as set forth in the Zone Plan or in the resolutions of the Board establishing the size of the Board.

C. The terms of office of Directors identified in the initial Zone Plan shall be scheduled to end on June 30, 2015 for Directors identified in the initial Zone Plan as serving for one (1) year terms, on June 30, 2016 for Directors identified in the initial Zone Plan as serving for two (2) year terms and on June 30, 2017 for Directors identified in the initial Zone Plan as serving for three (3) year terms. The Director appointed by the Mayor of the City of Ann Arbor may be appointed for a one, two, or three-year term, as determined by the Mayor. The terms of office of Directors (other than Directors identified in the initial Zone Plan and Directors elected to fill vacancies) shall commence on July 1st and shall be scheduled to end on June 30th of the first, second or third year thereafter. At each Annual Meeting of the Property Owners, the Property Owners shall elect Directors to fill positions on the Board having terms that are due to expire on June 30th of that year. Individuals so elected shall take office on July 1st. A Director shall be eligible for re-election to an unlimited number of terms.

D. A Director may resign by written notice mailed or delivered personally to the principal office of the Corporation or to the Chairman. The resignation shall be effective immediately upon receipt at the principal office of the Corporation unless a later date is specified in the resignation. A resignation does not need to be accepted or ratified by the Board of Directors in order to be effective.

E. Any Director may be removed from office for cause at any meeting of the Board of Directors by the vote of a majority of the Directors then serving. Because active involvement of all Directors is necessary for the Corporation to function effectively (and without limiting the preceding), the failure to attend three (3) consecutive meetings of the Board of Directors held during any period, whether or not the absences have been excused, shall be conclusively presumed to constitute cause for removal of a Director.

F. Vacancies in positions on the Board (other than in the position filled by a nominee of the Mayor of the City of Ann Arbor) arising from death, resignation,

removal, termination of office for failure to meet the qualifications under Section 5.4., the failure of Property Owners to elect a Director to fill an expired term or for any other reason, may be filled by the Board. The term of office of Director elected to fill a vacancy shall begin immediately upon election by the Board and shall continue until the following June 30th. The Property Owners shall elect a successor (or re-elect the Director) at the Annual Meeting immediately preceding expiration of the term. Unless the term of the Director whose position became vacant was scheduled to expire on the following June 30th, the Director elected by the Property Owners to fill the vacancy shall serve for the remainder of the term of the Director whose position became vacant.

5.5 MEETINGS OF THE BOARD OF DIRECTORS.

A. The Board shall adopt, and may modify, a schedule of regular meetings of the Board. The first regular meeting held in the month of April of each year shall be the Annual Meeting of the Board. At the Annual Meeting, Directors shall elect officers and consider such other business as may properly be brought before the meeting. If, for any reason, the Annual Meeting is not held in any year, the matters that might have been considered at that meeting may be taken up at any later regular, Special or Annual Meeting.

B. Special Meetings of the Board may be called by the Board or by the Chairman and shall be called by the Chairman upon the written request of at least three (3) Directors. The Board may conduct any business at a Special Meeting as may properly be brought before the meeting and is not limited to matters that may have been specified in the notice of the meeting.

C. All Annual and Special Meetings of the Board shall be held at such places in the City of Ann Arbor available to the public and reasonably accessible from the Zone Area as determined by the Board or, if the Board has not acted, by the Chairman.

D. All meetings of the Board shall be conducted in accordance with the applicable provisions of the Open Meetings Act.

5.6 NOTICE OF MEETINGS OF THE BOARD OF DIRECTORS.

A. The Corporation shall provide public notice of all Annual and Special Meetings of the Board, including adjourned, recessed and rescheduled meetings, as required by the Open Meetings Act.

B. Written notice of the time and place of all Annual and Special Meetings of the Board shall be given to each Director at least three (3) days before the date of the meeting, either personally or by sending such notice to each director by regular or electronic mail at the address designated by the director for such purposes, or if none is designated, at the Director's last known address. No such notice is required for an adjourned, recessed or rescheduled meeting of the Directors. As long as notice of a meeting of the Board has been given in accordance with the Open Meetings Act, the failure to give or receive written notice by regular or electronic mail or any defect in such written notice shall not affect the validity of any meeting or of any action taken at a meeting by the Board.

5.7 QUORUM AND VOTING REQUIREMENTS.

A majority of the Directors then in office constitutes a quorum for the transaction of business. Each Director shall have one (1) vote on all matters coming before the Board (without regard to the Weighted Vote of any Zone Property owned, leased or represented by the Director). The vote of a majority of the Directors then in office shall be the act of the Board, unless a larger vote may be required by law, under the Zone Plan or in these bylaws. A Director may not designate a proxy or other representative to cast a vote or to take any other action on his or her behalf at a meeting of the Board of Directors or of a committee of the Corporation.

5.8 COMPENSATION.

Directors shall receive no compensation for their services as Directors of the Board or as Officers of the Corporation. The preceding shall not, however, prevent the Corporation from purchasing insurance providing coverage to Directors or BIZ officers nor shall it prevent the Board from reimbursing Directors for their actual and necessary expenses incurred in the performance of their official duties as Directors or Officers of the BIZ and authorized by the Board.

5.9 CONFLICTS OF INTEREST.

ARTICLE VIII

INDEMNIFICATION OF OFFICERS, EMPLOYEES, DIRECTORS AND AGENTS

8.1. INDEMNIFICATION FROM CLAIMS OF THIRD PARTIES

The Corporation shall indemnify a Director, Officer, employee or agent who was or is a party or is threatened to be made a party to a threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal, other than an action by or in the right of the Corporation, by reason of the fact that he or she is or was a Director, officer, employee or agent of the Corporation against expenses, including attorneys' fees, judgments, penalties, fines, and amounts paid in settlement actually and reasonably incurred in connection with the action, suit, or proceeding, if the person to be indemnified acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, if he or she had no reasonable cause to believe the conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that he or she did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the conduct was unlawful.

8.2. INDEMNIFICATION FROM CLAIMS BY OR BY RIGHT OF THE CORPORATION

The Corporation shall indemnify a Director, Officer, employee or agent who was or is a party to or is threatened to be made a party to a threatened, pending, or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he or she is or was a Director, officer, employee or agent of the Corporation against expense, including actual and reasonable attorneys' fees, and amounts paid in settlement incurred by the person in connection with the action or suit, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Corporation. However, indemnification under this Section shall not be made for a claim, issue, or matter in which he or she has been found liable to the Corporation unless and only to the extent that the court in which the action or suit was brought has determined upon application that, despite the adjudication of liability but in view of all circumstances of the case, he or she is fairly and reasonably entitled to indemnification for the expenses which the court considers proper.

8.3 CONDITIONS TO INDEMNIFICATION

An indemnification under Sections 8.1 or 8.2 hereof, unless ordered by a court, shall be made by the corporation only as authorized in the specific case upon a determination that indemnification is proper in the circumstances because the applicable

standard of conduct has been met. This determination shall be made in any of the following ways:

A. By a majority vote of a quorum of the Board of Directors consisting of Directors who were not parties to the action, suit, or proceeding.

B. If the quorum described in subdivision A is not obtainable, then by a majority vote of a committee of Directors who are not parties to the action. The committee shall consist of not less than two (2) disinterested Board Property Owners.

C. By independent legal counsel in a written opinion.

8.4. EXPENSES

A. Expenses incurred in defending a civil or criminal action, suit, or proceeding described in Sections 8.1 or 8.2 above shall be paid by the corporation in advance of the final disposition of the action, suit, or proceeding upon receipt of any undertaking by or on behalf of the person being indemnified to repay the expenses if it is ultimately determined that he or she is not entitled to be indemnified by the corporation. The undertaking shall be by unlimited general obligation of the person on whose behalf advances are made but need not be secured.

B. If a person is entitled to indemnification under Sections 8.1 or 8.2 for a portion of expenses including attorneys' fees, judgments, penalties, fines, and amounts paid in settlement, but not for the total amount thereof, the corporation shall indemnify the portion of the expenses, judgments, penalties, fines, or amounts paid in settlement for which the person is entitled to be indemnified.

C. The indemnification or advancement of expenses provided under Sections 8.1 through 8.4 is not exclusive of other rights to which a person seeking indemnification or advancement of expenses may be entitled under the Articles of Incorporation, or Bylaws of the Corporation, or a contractual agreement of the Corporation. However, the total amount of expenses advanced or indemnified from all sources combined shall not exceed the amount of actual expenses incurred by the person seeking indemnification or advancement of expenses. The indemnification provided for in Sections 8.1 through 8.4 continues as to a person who ceases to be a Director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, administrators of the person.

8.5. INSURANCE

The Corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a Director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a Director, officer, employee, or agent of another corporation, business corporation, partnership, joint venture, trust or other enterprise against any liability asserted against the person and incurred by the person in any such capacity or arising out of the person's status as such, whether or not the Corporation would have the power to indemnify the person against such liability under the provisions of the Michigan Nonprofit Corporation Act.
