Experience

Director of Strategy

Recycle Ann Arbor
Ann Arbor, MI 48104

July 2013 – Present

Responsible for strategic development that will contribute to the growth of Recycle Ann Arbor and the Ecology Center as indispensable players in re-activating the zero waste movement locally and regionally.

Director of Student and Alumni Outreach

Lutheran Campus Ministry at the University of Michigan
Ann Arbor, MI 48104

April 2009 – December 2013

Established and operated a visitation program to build relationships with alumni/friends of the ministry, upgraded and maintained a database of ministry contacts/supporters and developed and implemented programs to improve the ministry's visibility to donors and the larger community.

Solid Waste Coordinator

City of Ann Arbor
Ann Arbor, MI 48104

February, 2002 – March 2009

Responsible for the management of Ann Arbor's integrated solid waste management system, including planning and development, budgeting, contract management, materials processing and disposal, education and capital procurement.

Manager of Resource Recovery

City of Ann Arbor
Ann Arbor, MI 48104

February 1989 - January 2002

Provided management and planning services for the city's waste recovery programs, including recycling, composting and waste reduction.
