

Dear Planning Commission Members,

I am a long time resident of the Thornoaks Neighborhood. I am writing to add my voice to those of my neighbors who have written to you with concerns about the South Pond Village project. I fully agree and echo all of the issues they raised. Rather than repeat the points I am sending a panoramic image captured last summer of the wetlands. It begins and ends with East Huron River Drive roadbed. I feel it is useful to focus on a unique aspect of this particular wetland: It affords visual access to hundreds if not thousands of drivers each day. It is a scenic treasure and must be preserved. Given the developers disregard to process I too urge you to issue a stop work order for the entire South Pond Village property parcel number 09-09-35-400-047.

Many thanks for your efforts on behalf of citizens,  
e
