

RESOLUTION TO SUPPORT THE RECONSTRUCTION OF TENNIS COURTS IN WINDEMERE PARK

Whereas, the tennis courts in Windemere Park are in need of replacement;

Whereas, the tennis courts are a heavily utilized neighborhood asset;

Whereas, the tennis courts are in an underserved Northeast area of the City;

Whereas, saturated organic soils and a high water table have resulted in an unstable base and heaving of the existing net posts;

Whereas, a number of potential options exist for replacing the tennis courts;

Whereas, the Park Advisory Commission (PAC) values the input of the neighbors and community in making a decision regarding the tennis courts;

Whereas, reconstruction can be accomplished for 10-20% above regular court construction costs;

Resolved, that PAC supports the replacement of the tennis courts in Windemere Park;

Resolved, that input will be solicited from neighbors and the community through public meetings;

Resolved, that reconstruction will be accomplished for no more than 10-20% above normal reconstruction costs.
