

### What is Michigan CLASS?

Michigan Cooperative Liquid Assets Securities System (Michigan CLASS) is a local government investment pool that prioritizes safety, liquidity, convenience, and competitive yield. Since 1991, Michigan CLASS has sought to provide Michigan public agencies with a safe and competitive investment alternative. Michigan CLASS invests only in instruments applicable to State of Michigan laws governing investment options for public agencies. Funds of the Participants are invested in prime or high-grade, short-term fixed income instruments selected with the goal of providing program safety, liquidity, and competitive yields as further defined by the Board's Investment Policy. Both Michigan CLASS portfolios are rated 'AAA' by a nationally recognized statistical rating organization.

### Who oversees and manages Michigan CLASS?

Investments made on behalf of the Participants are subject to the overall direction of the Michigan CLASS Board of Trustees, which consists of up to thirteen Trustees elected by the Participants. The Board of Trustees approves the program's investment parameters that must also fall within the investment stipulations mandated under Michigan statute for the investment of surplus funds of the Participants. The Board of Trustees has entered into an investment advisory agreement with Public Trust Advisors, LLC. Public Trust is responsible to the Board for all program investment and administrative activities and services provided on behalf of the Participants.
