ANN ARBOR AREA TRANSPORTATION AUTHORITY

PUBLIC TRANSPORTATION MILLAGE

To maintain the expanded levels of public transit and paratransit services—including services for seniors and people who have disabilities—shall the Ann Arbor Area Transportation Authority (TheRide) renew and restore an annual tax of 0.7000 mills (\$0.7000 per \$1000 of taxable value) on all taxable property within the City of Ann Arbor, the City of Ypsilanti, and the Charter Township of Ypsilanti for the years 2019-2023 inclusive? An annual tax of 0.7000 mills was first approved in 2014. This millage has been reduced to 0.6860 mills under the Headlee Amendment. This proposal would renew the millage and restore it to the originally approved 0.7000 mill amount. The estimate of revenue if this millage is approved is \$4,849,066 for 2019. This revenue will be disbursed to TheRide and, as required by law, a portion may be subject to capture by the downtown development authorities of Ann Arbor and Ypsilanti, the Washtenaw County Brownfield Redevelopment Authority, and the local development finance authority of the Charter Township of Ypsilanti.

STOCKBRIDGE COMMUNITY SCHOOLS

OPERATING MILLAGE RENEWAL PROPOSAL

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance. The remaining 5.2595 mills are only available to be levied to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963 and will only be levied to the extent necessary to restore that reduction.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Stockbridge Community Schools, Ingham, Jackson, Livingston and Washtenaw Counties, Michigan, be renewed by 23.2595 mills (\$23.2595 on each \$1,000 of taxable valuation) for a period of 6 years, 2019 to 2024, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2019 is approximately \$4,909,310 (this is a renewal of millage that will expire with the 2018 tax levy)?
