

RESOLUTION REGARDING THE  
MALLETT'S CREEK ASSOCIATION'S  
APRIL 2007 WATERSHED RECOMMENDATIONS

Whereas, The Malletts Creek Association is a citizen organization dedicated to the protection and restoration of Malletts Creek and its receiving watercourses, South Pond and the Huron River;

Whereas, Malletts Creek Association's Management Plan was adopted by the City of Ann Arbor in 2000;

Whereas, Malletts Creek Coordinating Committee was created by the City of Ann Arbor, in part, to prepare an Action Plan to include the recommendations of the Management Plan, and which includes a representative of Malletts Creek Association;

Whereas, The major recommendations of the Management Plan have been successfully implemented;

Whereas, Malletts Creek Association has consulted with many city, county and township experts and administrators in developing new 2007 Watershed Recommendations to achieve the goals of the Management Plan;

Whereas, Many of the new recommendations have also been proposed or initiated by various agencies of the City of Ann Arbor, including various Commissions, citizen advisory groups, and Malletts Creek Coordinating Committee, and other local governments in Michigan; and

Whereas, These 2007 Watershed Recommendations have been supported by the Malletts Creek Coordinating Committee, Ann Arbor Planning Commission, the Ann Arbor Environmental Commission, Pittsfield Township Natural Features Commission, Pittsfield Township Board of Trustees, and the Washtenaw County Drain Commissioner;

RESOLVED, That the City of Ann Arbor accepts the Malletts Creek Association's report of its 2007 Watershed Recommendations;

RESOLVED, That the Malletts Creek Association's 2007 Watershed Recommendations be forwarded to the Malletts Creek Coordinating Committee;

RESOLVED, That the Malletts Creek Coordinating Committee be charged to develop a plan for implementation of the 2007 Watershed Recommendations;

RESOLVED, that the Malletts Creek Coordinating Committee be charged to consider priorities for implementation from the 2007 Watershed, including any specific steps to be taken and the costs and sources of funding available or necessary for implementation;

RESOLVED, that the Mallets Creek Coordinating Committee report their findings in the form of an amended Mallet's Creek Action Plan for the City of Ann Arbor by the end of calendar year 2007.
