Jacqueline Beaudry,

Thank you for forwarding Resolution: R-17-088, Resolution Opposing Elimination and Reduction of HUD Programs, to Senator Stabenow. Throughout her time in Congress Senator Stabenow has been an adamant supporter of programs at the Department of Housing and Urban Development.

She recently signed letters to the Senate Appropriations Committee asking for the Home Investment Partnerships Program (Home) and Community Development Block Grants (CDBG) be fully funded for FY18.

Thank you for sharing the impact of these programs in Ann Arbor and Washtenaw County.

Please let me know if our office can ever be of assistance!
