Subject: Environmental Commission Application

Hi Jacqueline,

I am vice chair of the city's Environmental Commission, and we had a commissioner resign this morning (Benjamin Muth). So we have a vacancy, and I'd like to send the application to a potential replacement. Should I just direct the applicant to the form on the City's website? Once the application is submitted, do you send it to the Council representatives on the Environmental Commission (Chip Smith and Jason Frenzel)?

Thanks!
