

2015 Environmental Commission Work Plan Priorities

1. Implement Climate Action Plan

Leader: Hutton

Members: Briere, Appleyard, Frenzel, Graham, Muth, Skinner, Stults

Goal: Create tangible goals for this group and narrow its focus.

Next steps:

- Review initiatives currently underway, identify actions we believe are priorities and assess their feasibility, and be prepared to present initial ideas to Commission at March meeting.
- Review other items Commission ranked as priority that are part of CAP (see below).
- Create a timeline, establish priorities, define ways to support and expand work currently underway, and identify other committee members.
- Be careful to not duplicate work being done by Energy Commission and AACP.
 - Wayne will keep group informed about Energy Commission initiatives. Susan, Missy, Jamie, and Matt will do the same for AACP.

Several other work plan priorities fall under the CAP and have also been identified as Commission priorities:

- **Develop business and residential education program to support Climate Action Plan**
Leader: Hutton.
Members: Briere, Appleyard, Frenzel, Hollins, Skinner, Stults
Related items: AA Climate Partnership's work with a community-facing dashboard
- **Review and expand incentives for sustainable buildings (CAP EB-3, EB-5, EB-8)**
Leaders: Woods and Frenzel.
Members: Appleyard, Briere, Graham, Hutton, Smith
 - Group needs to collaborate with Planning Commission
- **Start a visioning process focused on community resilience**
Leaders: Frenzel, Stults.
Members: Briere, Hutton, Smith

Implement the Huron River and Impoundment Management Plan

- Leaders:
- Members: Anglin, Briere, Graham, Hollins, Muth
Goal: Implement HRIMP
Next Steps: Group will meet to review what's been done and will also meet with Cheryl Saam.

Train Station Recommendations

Leaders: Graham and Muth

Members: Anglin, Appleyard, German

Goal: Inform public of process and assess options after EIS released.

Assess Traffic Light Synchronization Program

Leader: Graham

Members: Anglin and German

Goal: Assess data in order to make a recommendation to City Council.
