Hello,

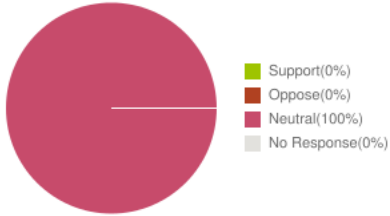

Unfortunately, I cannot find details of DC-2. According to an MLive article, DC-2 would not include (as the Washtenaw County actions do) an exemption for K-12 schools.

Does DC-2 have this exception? Schools and school administrators need to know ASAP and I strongly

encourage you to include this exception.

I would have liked to view the interview videos and provide feedback. But I'm a working parent, and I was given only 24 hours to do this (and during the work week, at that).

I'm surprised by how rushed this process is. Could we please give this critical hiring process more time?
