Dear Members
of the A² City Council!

Greetings and thanks for your
work & efforts on behalf of our
great city & residents.

My husband Kevin & I are writing
regarding Ordinance No. ORD-09-27.
We are opposed to amending the
zoning of this area in our neighbor-
hood. This would directly impact
the natural beauty, light & character
of our community. Please help us
preserve our quiet, eclectic, family
oriented community!
