To Whom This May Concern:

The Guild of Artists & Artisans, producer of *the Ann Arbor Summer Art Fair*, one of the partner events of the *Ann Arbor Art Fair*, has been informed by the *Ann Arbor Street Art Fair*, also a partner event of the *Ann Arbor Art Fair*, that it is seeking financial assistance from the City of Ann Arbor.

We understand that the *Ann Arbor Street Art Fair* is in serious need of additional funding to maintain its programming and we acknowledge and support its funding application to the City of Ann Arbor.

Best regards,

*Max Clayton*
