Petition in Opposition to Rezoning

To: Ann Arbor City Clerk

We, the undersigned, strongly object to the proposed Moravian Planned Unit Development (PUD) Zoning District and Supplemental Regulations, and the PUD Site Plan dated December 11, 2009 as well as the associated Development agreement. We stated the reasons for our opposition at the Planning Commission Meeting Public Hearing on January 5, 2010. We, the undersigned, own property located within 100 feet of the 0.85 acres of property (554, 558 South Fifth Ave; 201, 211, 215 E. Madison Street; 547, 551, 553 South Fourth Ave) that are the subject of the proposed rezoning action ("Subject Property").

Our combined property ownership constitutes substantially more than 20% of the land within 100 feet of the Subject Property. As such, eight (8) affirmative votes of Ann Arbor City Council should be required to approve the rezoning of the Subject Property.
