

## MEMORANDUM

TO: City Planning Commission

FROM: Wendy Rampson, Planning Manager

DATE: July 1, 2011

SUBJECT: **Review of City Planning Commission Bylaws**

The City Planning Commission Bylaws require that the Commission review the provisions of the Bylaws during its organizational meeting in July. The Bylaws also state that, before the Commission may amend the Bylaws, a draft of any proposed amendments must have been submitted in writing at the previous regular meeting.

Staff proposes amending Article XII: Responsibilities and Evaluation of Manager, Section 4 to reflect the recent practice of developing the Commission/Staff work program in May of each year, rather than in December. This timing allows for Commission input to be considered from the annual retreat, typically held in March or April, and community input to be considered from the master plan resolution public hearing, typically held the first meeting in May. This timing also allows for the work program to be developed concurrently with the City budget, which is approved by Council in late May.

Staff recommends that the Commission review the proposed changes to its Bylaws at the July 7, 2011 meeting and vote on the amended Bylaws at its next regular meeting.

If at any time the City Council member ceases to be a member of City Council, then his/her membership in the Commission shall automatically terminate.

Section 4. Consistent with City Charter § 12.2 and MCL § 125.3815(4), all members of the Commission shall be registered electors in the City of Ann Arbor, except that one (1) member may be exempted from this requirement by a resolution concurred in by at least seven (7) members of City Council.

Section 5. Consistent with MCL § 125.3815(2), members whose term has expired shall hold over and continue to serve as members of the Commission until a successor has been appointed.

Section 6. Consistent with City Code § 1:171, the Mayor shall notify City Council of the expiration of a member's term at least thirty (30) days prior and shall present to City Council all proposed reappointments no later than sixty (60) days after the expiration of the term.

Section 7. Consistent with City Code § 1:171, any vacancy on the Commission occurring in the middle of a term shall be filled for the remainder of the term in the same manner as for full-term appointments.

The Planning and Development Service Department shall maintain attendance records and shall report to the Chair if an attendance problem appears to have developed. If a member misses more than three (3) regularly scheduled meetings in a row or four (4) or more meetings in a sixteen (16) month period, the Chair shall notify City Council. The Commission officers may discuss the matter with the member in question and if sufficient improvement in attendance does not occur within a reasonable time, the Chair may recommend to City Council that the member be removed.

Section 9. Consistent with MCL § 125.3815(9), a member of the Commission may be removed by City Council for misfeasance, malfeasance, or nonfeasance in office following written charges, notice, and a hearing.

## **Article V      Ethics and Conflicts of Interest**

Section 1. A member of the Commission shall abstain from discussion, voting, or otherwise acting on any matter where that member is involved in a conflict of interest. A conflict of interest shall at a minimum include, but not necessarily be limited to a member:

- a. Discussing, voting on, or otherwise acting on a matter directly and specifically involving that member.
- b. Discussing, voting on, or otherwise acting on a matter involving work on property which is owned by that member or which is adjacent to property owned by that member.
- c. Discussing, voting on, or otherwise acting on a matter directly involving a corporation, company, partnership, or any other entity in which that member is an owner, board member, or otherwise has a direct financial interest.
- d. Discussing, voting on, or otherwise acting on a matter, the outcome of which may result in a direct financial or other benefit to that member or to immediate family of that member.
- e. Discussing, voting on, or otherwise acting on a matter where the member's employee or employer is:
  - (1) an applicant or agent for an applicant, or
  - (2) has a direct interest in the outcome.

Section 2. When a conflict of interest exists with regard to a particular matter, the member of the Commission who is subject to the conflict, shall do all of the following immediately, upon first knowledge or realization that a conflict exists:

- a. At the next meeting of the Commission or a committee, declare that a conflict exists and that the member will recuse him or herself from the matter.

- b. Disclose, except where it violates a confidence, the general nature of the conflict, and the minutes shall so record the conflict and recusal.
- c. Cease to participate in any manner when the matter is discussed, voted on, or otherwise acted on at Commission or committee meetings, or in any other forum.
- d. During deliberation of the matter before the Commission or a committee, leave the meeting or the area where members of the Commission sit, until action on the matter is concluded.

Section 3. When there is a potential conflict of interest, before voting, the member shall disclose all pertinent facts relating to the potential conflict, except where it violates a confidence, and those facts shall be included in the minutes of the proceedings. Consistent with MCL § 125.3816(9), a member must make this disclosure whenever the member may reasonably be considered to have a conflict. Failure of a member to disclose a potential conflict under this section constitutes malfeasance in office and is grounds for removal by City Council.

Section 4. If facts are presented which raise the question of whether any member(s) of the Commission are subject to a conflict of interest, the question may be decided by a majority vote of the remaining members of the Commission. Upon a finding that a conflict exists, the member(s) subject to the conflict shall be disqualified from voting on the matter.

Section 5. A member of the Commission shall neither solicit nor accept gratuities, favors, gifts, or anything of monetary value from persons or entities in a position to benefit from a decision of the Commission.

Section 6. Members of the Commission shall complete an annual disclosure of employer and any other organization affiliations that reasonably could lead to a conflict of interest and shall update this disclosure in writing at any time during the year when such affiliations change.

Section 7. Members of the Commission shall make reasonable efforts to avoid individual communications with interested parties regarding site specific proposals or site petitions before the Commission. If a member receives such communications, the member shall make note of the content of the communication and report it to the Commission at a public meeting or hearing, so that every member of the Commission and other interested parties attending are made aware.

Section 8. A Commission member shall not be heard before the Commission as a petitioner, representative of a petitioner, or as a party interested in a petition during the member's term of office.

Section 9. A member of the City Council shall not be heard before the Commission as a petitioner, representative of a petitioner or as a party interested in a petition during the Council member's term of office.

Section 10. A Commission member, when speaking to individuals, groups or organizations on planning matters, shall identify him/herself as a member of the Commission and shall indicate whether he/she speaks on behalf of the Commission or in an individual capacity. A member of the Commission may only speak on behalf of the Commission after being given authority to do so by resolution of the Commission.

Section 11. The Commission or its individual members shall not intrude into the management of the City Planning and Development Services Unit or into those matters which are handled administratively within the service unit.

Section 12. Commission members shall not engage in any employment or endeavor, or in any business transaction, wherein the membership on the Commission would be a qualification for such employment or endeavor, or a significant reason for the business transaction.

Section 13. Commission members shall carry out the business of the Commission as a public service and shall conduct themselves at all times in a fair, courteous, and understanding manner.

## **Article VI      Officers**

Section 8. A candidate receiving a majority vote of the entire membership of the Commission shall be declared elected and shall serve a term of one (1) year or until the candidate's successor shall take office.

Section 9. When an office becomes vacant before the expiration of the current term, the vacancy shall be filled as soon as practicable. The vacant office shall be filled by election in the same manner as full-term offices and the new officer shall serve the remainder of the current term. A member currently serving in another office may be elected to a vacant office, in which case a replacement for that member's previous office shall be elected at the same time.

Section 10. No member of the Commission shall hold the same office for more than two (2) successive terms, nor hold more than one (1) office at a time.

Section 11. Consistent with MCL § 125.3817(1), a member of City Council serving as an ex officio member of the Commission is not eligible to serve as an officer.

## **Article VII Meetings**

Section 1. The Commission shall schedule regular meetings at City Hall, or as otherwise designated by resolution, on one or more designated Tuesdays of the month, in the evening. Commission meetings may be scheduled on other days of the week to avoid conflicts with rescheduled City Council meetings, holiday observances or election dates. Consistent with the Open Meetings Act (MCL § 15.265), the entire schedule of regular meetings for the upcoming organizational year shall be posted within ten (10) days after the end of the current organizational year. The Chair shall give notice of cancellation to members of the Commission and to the Planning Manager at least two (2) hours prior to the scheduled meeting time, where practicable. The Chair shall post public notice of the cancellation as soon as practicable. The Chair may reschedule cancelled meetings with the Commission's consent. Public notice for rescheduled meetings shall be posted at least eighteen (18) hours prior to the scheduled starting time.

Section 12. After a motion has been decided, any member voting with the prevailing side may move for reconsideration of the motion at the same or the next regular meeting. No motion may be reconsidered more than once.

Section 13. On matters requiring public hearings, the Commission may take action during the meeting in which a public hearing is held. Such matters may be tabled by a majority of the members present.

Section 14. The Commission shall arrange to keep minutes of all meetings, which shall be a record of the Commission's consideration and actions. Consistent with MCL § 125.3819(1), the minutes shall record all resolutions, transactions, findings, and determinations of the Commission. The minutes shall also include a list of those members present and not present at each meeting; identifying information, where given, of all persons appearing before the Commission; a copy of each resolution or other matter acted upon by the Commission and a description of the outcome of each action. Each member of the Commission is therefore encouraged to express specific reasons supporting his or her vote. Such expressions should be made during the discussion period preceding the actual voting. The minutes shall be filed in the Planning and Development Services Unit and shall be a public record.

Section 15. The Commission shall maintain files and records which adequately and appropriately reflect the Commission's consideration and actions, including all resolutions, transactions, findings, and determinations of the Commission. The files and records shall be open to the public during normal Planning and Development Services Unit working hours.

Section 16. All meetings of the Commission and its committees shall be open to the public and conducted in accordance with the Michigan Open Meetings Act (PA 267 of 1976), as amended. Section 19. Audience participation in the form of public comment shall be allowed at all meetings. An individual may speak for up to three (3) minutes. The Chair may extend an individual's

speaking time in his/her discretion. Commission agendas shall provide two (2) opportunities for audience participation.

- a. Speakers at the first Audience Participation agenda item may address the Commission about any item on the agenda that does not have its own public hearing scheduled
- b. Speakers at the second Audience Participation agenda item may address the Commission about any item related to the Commission's business.

## **Article VIII Public Hearings**

Section 1. In addition to those required by law, the Commission may, at its discretion, hold such public hearings or conferences as it decides will be in the public interest. Special accommodations, including a sign language interpreter, shall be made for people with disabilities, when requested at least twenty-four (24) hours in advance.

Section 2. The public shall receive proper legal notice as to time and location of public hearings as required by law.

Section 3. An individual wishing to address the Planning Commission during public hearings may speak for three (3) minutes. The first person identifying him/herself as the petitioner, or as a person representing the petitioner or an organized group, may speak for five (5) minutes. The Chair may extend the speaking time further at his/her discretion.

Section 4. During public hearings, subject matter shall be limited to the topic under consideration. Commission response to the public's remarks shall be confined to clarification of the presented facts.

Section 5. At the discretion of the Chair, or by vote of a majority of the members present, public hearings may be continued to another date.

## **Article IX Petitions and Communications**

Section 1. Petitions pertaining to zoning changes, annexations, area plans, site plans, street vacations, and other related matters shall:

- a. Be filed with the Planning and Development Services Unit for review and scheduling for Commission action and to other City service areas and governmental agencies for comment in accordance with the Subdivision and Land Use Control Ordinance.
- b. Be considered by the Commission during a regular or special meeting, where all persons interested in the subject will be heard before final Commission action.

Section 2. Zoning changes may also be initiated by Council or by the Commission.

Section 3. When making a final decision on any petition, motions shall be made in the affirmative, i.e. as motions to approve the petitioner's request. Failure to obtain the requisite number of affirmative votes on such a motion shall constitute a denial. The purpose of this provision is to eliminate confusion and the possibility of inaction that arises when motions to deny fail to garner sufficient affirmative votes for passage.

Section 4. The Commission shall invite persons concerned with items the Commission is to consider to address written communications to the Commission and Planning and Development Services Unit. The Commission shall request that these communications be directed at the entire Commission and not toward individual members and that these communications be sent at an early enough date to give the Planning and Development Services Unit sufficient time for careful consideration in arriving at its recommendation to the Commission. Commissioners who receive individual communications from the public regarding items under consideration shall share such communications with the entire Commission, and, where applicable, with staff, as soon as practicable. Communications from the public on particular items shall be made available to Commission members prior to Commission meetings at which those items will be considered and not during the meeting itself. Members may request that the contents of certain communications be read before the Commission.

## **Article X      Agenda and Order of Business**
