RE: Linkner ZBA meeting 6-26-13

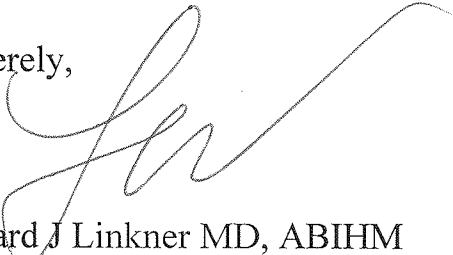

Matt Kowalski

Hi Matt,

Enclosed are signatures from the front, side and rear neighbors.
There is 100% approval to support our project.
Please notice that our mayor lives one house down from us and has
graciously signed also.

Thanks again for all of your help!

Sincerely,

Edward J Linkner MD, ABIHM

Re: Linkner home kitchen addition, 1030 Baldwin Ave
Support petition for zoning variance of 4-1/2 feet

We who have signed below are neighbors of the Linkners. We have discussed the issue with them, and have looked at the architectural drawings. We understand that they will be going 4 1/2 feet into their current rear setback.

We are in complete agreement that this should be allowed. This addition will not be seen by us, and will have only a positive impact on our neighborhood.
