Dear Mr. Parker,

On October 9, 2013 you applied for transfer of seniority upon the death of your mother, Mildred Parker, an annual vendor with one permanent stall at the Ann Arbor Farmers Market. According to the Public Market Operating Rules ("Market Rules"), Section VII.1.A,

A. Seniority may be transferred upon the death of an Annual Vendor to an immediate family member (spouse, domestic partner (to the extent allowed by law), parent, sibling, child) of the vendor if:

1. A complete transfer of seniority application is submitted to the Market Manager within 60 days of the death of the vendor.

Mildred Parker passed away on September 1, 2013. The transfer of seniority application was submitted to the Market Manager on October 9, 2013, thus satisfying the 60 day requirement stated in the Market Rules. Supporting documents (Certificate of Birth and Certificate of Death) provided with the application verified that you are the child of Mildred Parker.

In accordance with the Transfer of Seniority process outlined in the Market Rules, the Public Market Advisory Commission held a public hearing on the proposed transfer on November 21, 2013. At the same meeting, the Commission voted unanimously (5-0) to recommend approval of the transfer of seniority.

Upon reviewing the transfer of seniority application and with the support of the Public Market Advisory Commission, I approve the transfer of seniority from Mildred Parker to you, Marvin Parker.

Sincerely,

Sumedh Bahl, P.E.
