Subject: Resignation from Human Rights Commission

Dear Mayor Taylor,

I would like to thank you for your trust in me and providing me with this great opportunity to serve on the Human Rights Commission.

I have had the pleasure of working with a spectacular group of dedicated commissioners under the leadership of Ms. Stambough. I learned so much about their noble mission and the hard work they all do to serve the citizens of Ann Arbor. I have been very grateful for this opportunity. However, I do regret to inform you that I will no longer be able to continue due to major changes in my job responsibilities at Central Academy and the other eleven campuses affiliated.

Most of my commitments and meetings are after school and that makes it very difficult for me to make it to the meetings and to be prepared prior to the monthly meetings. I sincerely apologize for any inconvenience this may cause. This was certainly not an easy decision but I have no choice at this time.

My resignation does not mean that I am out of reach for any assistance that I can do for you or the commissioners. I would be glad to help however I can.

Once again, thank you so much for your trust in me.

Best regards,

Luay Shalabi
