

To whom it may concern

My name is Tariq Ali. I am a home owner in the Woodcreek subdivision on Meadowside drive. I am writing to oppose the South pond village development. There are many factors influencing this opposition.

1. Traffic issues on Chalmers and Washtenaw are already bad.
2. Algebe way is a hpuse away from my house. If used as an access route(even for emergencies), I fear loss of privacy and security of my children.
3. There is not much of a barrier between our backyard and the new development. Again, that will lead to loss of privacy and security.

These are the main factors. I sincerely hope that if the developer does have to go ahead with this, these issues are addressed.

Thank you

Tariq Ali
