Pittsfield Village Townhouse Dwelling District (R3) Rezoning

From: JOE DEVEREAUX**Sent:** Monday, June 3, 2024 4:12 PM**To:** Planning <Planning@a2gov.org>**Subject:** Pittsfield Village Townhouse Dwelling District (R3) Rezoning

The proposed rezoning from C3 to R3 would, in addition to destroying the natural habitat of that portion of parcel, adversely affect the residents of the Arlington Place Condominiums Community (directly west of the proposed rezoning) due to the greatly diminished density of the natural habitat which the residents have enjoyed and relied on for the resale value of their units.
