Ann Arbor Farmers Market

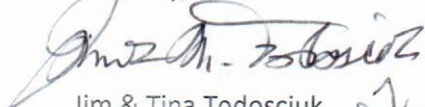

Re: Changes to Market Rules regarding artisan vendors for Saturday Market

To whom it may concern:

J&T Todosciuk Farms & Greenhouses is an Annual Producer Vendor with 3 permanent stalls. Regarding the suggestion that the policies be changed to increase the number of Annual Artisan vendors in the market and that they should be allowed to have up to 3 permanent stalls with all the same rights as the Annual Producer Vendors; we don't believe that the policy should change. An influx of artisan vendors with multiple stalls would change the nature of the market. The Saturday market is a Farmers Market and Producers should remain the primary focus of the market.

A change that should be considered is to return the maximum number of stalls for Annual Producer Vendors to 4 stalls. There are Annual Producer Vendors who would willingly purchase a 4th permanent stall which would consume the extra stalls that are currently available.

Sincerely,

Jim & Tina Todosciuk
