Mr. Hull,

There is some work still being done on Tuebingen near the bus stops. Paving the final course of asphalt has also been delayed due to weather. The contractor is planning on completing the work by the end of next week.

Hope that helps,

**Subject:** Tuebingen Pkwy closure/detour - when is it ending?

As I recall, the Road and Lane Closures website showed the Tuebingen Pkwy closure/detour as lasting until October 13th. This has since been removed from the website, and the Transportation Commission staff report for this week says the road is now open - however, AAATA buses are still detouring there. Any idea when this will end?
