COMMUNICATIONS FROM COUNCIL

MAYOR HIEFTJE

Mayor Hieftje updated Council on the proposed parking agreement between the City and the DDA. The mayor stated that members of staff reviewed language in Chapter 7 of the City Code, which might have bearing upon the parking contract negotiations. The parking agreement resolution for tonight's meeting was removed from the agenda until staff and the City Attorney could further review the implications of the language in Chapter 7.

COUNCILMEMBER DEREZINSKI

Councilmember Derezinski reported on the annual retreat of the City Planning Commission. Councilmember Derezinski reported that the Planning Commission has decided to take a regional perspective on planning issues and consider decision-making in the larger context of the greater Ann Arbor area in collaboration with other communities. The Washtenaw Avenue corridor was also studied at the retreat. AATA provided a bus tour of the area and transportation impacts were discussed.

COUNCILMEMBER TAYLOR

Councilmember Taylor said that the Park Advisory Commission met and reviewed the proposed Parks and Recreation budget and fee schedule. PAC members met with city staff regarding proposed cuts in the service areas that represent parks; Community Services and Public Services. Councilmember Taylor reported that the proposed cuts on the Public Services side are generally in excess of the dollar amount proposed by other units of the City. However, he noted that while costs would be reduced, service cuts were not proposed. PAC has passed a resolution asking City Council to refund the Public Services element of the Parks budget to bring the overall reduction of the Parks budget in line with other unit functions within the City.

COUNCILMEMBER ANGLIN

Councilmember Anglin said that part of the discussion with PAC had to do with the gradual loss of funding in the parks. Councilmember Anglin noted that the city voters would be asked consider a parks millage again in 2013. The important part of the millage is not the wording of the millage, but the amendments that go with it (Policies for Administration).

COUNCILMEMBER RAPUNDALO

Councilmember Rapundalo reminded the public about a budget discussion that took place at City Council's last work session. Former Administrator Roger Fraser presented the 2012 budget to Council and at that time Councilmember Rapundalo asked what part of that budget could be mitigated in terms of delaying some of the layoffs proposed in the budget if health care settlements were reached with the unions. Councilmember Rapundalo stated that Mr. Fraser replied that in the case of

the firefighters and the Ann Arbor police officers, if they were on the same health care plan as the city's non-union employees, the cost savings would be able to pay for three or four full-time officers who are likely to be eliminated under the current proposed budget. On the Fire Department side, savings from that same health care plan would be sufficient to pay for more than two full-time firefighters. Councilmember Rapundalo encouraged more dialogue on this matter.

COMMUNICATIONS FROM THE CITY ADMINISTRATOR

Interim City Administrator Tom Crawford reported on the following:

PUBLIC SERVICES

- The AATA is looking to use the collective knowledge of the entire County to develop the Transit Master Plan. The community is encouraged to attend an upcoming community forum session, where residents can provide input and speak with a representative of the Master Plan team. The meeting in Ann Arbor will be held on Wednesday, May 11th from 6 to 8pm at the Downtown Ann Arbor District Library in the Multipurpose Room.*
- The end of April has been full of precipitation events. The result is that the local soils are saturated and are not absorbing any more rainfall. This means in the current conditions when a rain event occurs, it all becomes runoff. Between 7am, Wednesday, April 27, and 7am on Thursday, April 29 about 2 inches of rain fell in the area.*

The effects of the saturated soils are also being noticed in the sanitary sewer collection system. On Thursday morning, many of the trunk sewers were surcharging, running more than full. While the system passed this rain with few upsets, until there is a period of drier weather, the system is at risk of overflow during such events. It will take a period of a number of weeks with little or no rain to dry out the surrounding soils and reduce the risk to the sanitary system.

SYSTEMS PLANNING

- The Pedestrian and Bicycle Information Center has designated the City of Ann Arbor as a GOLD Level Walk Friendly Community for its walkability initiatives and programs. Sponsored by the U.S. DOT Federal Highway Administration and FedEx, Walk Friendly Communities is a national recognition program aimed at recognizing communities for their commitment to pedestrian safety. Ann Arbor is among only eleven communities recognized nationwide in the inaugural round of Walk Friendly Communities announced on April 26th. The Walk Friendly Community designation, awarded from bronze to platinum, is given to applicant communities that have demonstrated a commitment to improving and sustaining walkability and pedestrian safety through comprehensive programs, plans and policies. Ann Arbor is proud to receive the Gold.*
- The Commuter Challenge is taking place again during the month of May. The City in cooperation with the DDA and AATA sponsors the getDowntown Program, who coordinates this event. In addition to supporting the getDowntown program, the City, as a downtown employer along with its employees, actively participates in the Commuter Challenge. For more information on the getDowntown program and the Commuter Challenge, please go to www.getDowntown.org*
- Saturday, May 7th is National Train Day, and the Michigan Association of Railroad Passengers will observe the day at the Ann Arbor Amtrak Station from 7 to 9*

AM with donuts and coffee. They will celebrate with the passengers leaving on the westbound train scheduled to depart at 7:48 AM

- *A free E-Waste Recycling Event is scheduled for Saturday, May 7th from 9 a.m. to 2 p.m. in the Pioneer High School parking lot, at 601 W. Stadium Boulevard (at Main Street). People can easily and securely dispose of working or broken electronic waste, such as computers, monitors, keyboards, mice, cables, televisions, VCRs. etc., in an environmentally friendly manner. The event is being co-sponsored by the U-M Office of Campus Sustainability and the Ann Arbor Public Schools. For more details, go to: <http://sustainability.umich.edu/events>.*
- *Another reminder that on Saturdays through May 28th, from 8 am until noon, City residents can receive up to 6 bushels of free compost or mulch, (self loaded), at the City's Compost Facility at 4150 Platt Road, compliments of the City's Compost Center operator, WeCare Organics. Residents will need to first stop at the Material Recovery Facility (MRF) Scalehouse with their water bill to verify that they are city residents, and they will receive a coupon for the free material. Residents will need to bring their own shovel and containers or truck for the material. More details can be found at www.a2gov.org/compost*

PARKS

- *Leslie Park Golf Course hosted their annual Spring Scramble on Friday, April 22nd in the snow and the rain. Even with the weather, a full field of 144 people played, raising over \$3,500 for the Parks & Recreation Scholarship Fund. Thank you for everyone's support.*

CITY CLERK

- *Tomorrow, Tuesday, May 3 is the countywide special election for the Washtenaw Intermediate School District Special Education millage renewal. All city polling places are open from 7am to 8pm. Voters can check on their voter registration and look up their polling place assignment by visiting www.michigan.gov/vote or by calling the City Clerk's Office at 734-794-6140. As a reminder to those voters who will be voting inside Ann Arbor Public School buildings, school is in session on Tuesday, so voters are asked to enter these buildings through the doors marked for voters and proceed directly to the designated room for voting. Directional signage will be in place at all polling places. For more information on the election, please visit www.a2gov.org/elections*

FARMERS MARKET

- *Wednesdays are back at the Farmer's Market! After a long, cold winter the Farmer's Market is open Wednesdays, starting May 4, from 7 am – 3 pm.*
