Tax ID12-09-400-007**

Dear Ms. Beaudry,

This letter is to inform you that the Company is now considering a larger building project than originally planned. We feel that the timing of the current application is not consistent with our revised plans. We expect to start the project a year from now. Hence, we would like to postpone the timing of the current application under PA198 and resubmit it once the building plans are finalized.

In case of any questions or in need of more information please feel free to call me.

Thank you for your time and assistance in this regard.

Sincerely,

Bhushan M. Kulkarni  
President & CEO
