Dear Jaqueline Beaudry,

Please find enclosed the 2008 Tax Rate Request (L-4029) for the Washtenaw Intermediate School District (WISD).

As you can see in columns 10 and 11, the summer tax collection rate for WISD is not the same for each municipality. However, there are only two alternatives regarding the Washtenaw Intermediate School District's summer tax levy:

- 1) If the local school district does not collect any summer tax, then we do not intend to collect a summer tax. In this situation, we will collect our full levy in the winter.
- 2) If the local school district does collect a summer tax, then we intend to collect on a 100% tax levy in the summer. Therefore, even if the local school district only collects 50% of their levy, WISD still intends on collecting 100% of our tax levy in the summer. In this situation, we will not collect any winter tax.

As you can see the decision of whether to collect a summer tax or not is dependent on the decision made by the local school district. For those of you with multiple school districts, you may have the situation this summer where you are collecting 100% of our tax on some parcels and no tax on others.

If you have any questions or need any additional information, please feel free to contact me at (734) 994-8100, extension 1402.

Sincerely,

A handwritten signature in black ink, appearing to read 'Brian Marcel'.
