Re: Burkhart and Heydon Zoning Protests-202 South Division Street PUD Zoning District

Dear Ms. Beaudry:

This letter is intended to confirm our discussion that the City Clerk's Office is in receipt of the two subject zoning protests and that the zoning protests are timely and properly filed so as to require an eight-vote majority at second reading for the subject proposal. The above understanding is subject to confirmation by Planning Department Staff that the land areas included in the two protests conform to the land area requirements as set forth in Article XI, Section 5:107(5) of the Zoning Code.

Very truly yours,

Steven Zarnowitz
