1.02 This contract incorporates the Grantee’s approved grant application request and final approved budget.

1.03 This contract is for the MICHIGAN MENTAL HEALTH COURT GRANT PROGRAM – PLANNING GRANT.

1.04 In consideration of the mutual promises and covenants in this contract, and the benefits to be derived from this contract, the parties agree as follows:

2. TERM OF CONTRACT

2.01 This contract becomes effective when it is signed by the parties, the State Court Administrator or Deputy State Court Administrator, and the Grantee’s authorizing official.

2.02 This contract commences on 4/1/14. This contract terminates on 9/30/2014, at 11:59 p.m.

3. RELATIONSHIP

3.01 The Grantee is an independent contractor, and it is understood that the Grantee is not an employee of the SCAO. No employee, agent, or subcontractor of the Grantee is an employee of the SCAO.

3.02 No liability or benefits, including, but not limited to, retirement benefits or liabilities, pension rights or liabilities, insurance rights or liabilities, fringe benefits,

training, holiday pay, sick pay, vacation pay, or such other rights, provisions, or liabilities arising out of an agreement of hire or employer-employee relationship, either express or implied, shall arise or accrue to either party as a result of this contract. The Grantee is not eligible for, and will not participate in, any such benefits.

3.03 The Grantee is responsible for payment of all taxes, including federal, state, and local taxes arising out of the Grantee's activities in accordance with this contract, including, but not limited to, income taxes, social security taxes, unemployment insurance taxes, and any other taxes or fees.

3.04 The Grantee understands and agrees that all parties furnishing services pursuant to this contract are, for purposes of workers' compensation liability or other actions of employee-related liability, not employees of the SCAO. The Grantee bears the sole responsibility and liability for furnishing workers' compensation benefits to any of its employees for injuries arising from or connected with services performed pursuant to this contract.

3.05 The Grantee shall not direct the work or commit the working time of any SCAO employee under this contract. To the extent that the Grantee seeks the assistance of any SCAO employee to perform the Grantee's responsibilities under this contract, the Grantee must obtain prior written approval from the state court administrator or his designee.

3.06 The Grantee does not, and shall not, have the authority to enter into contracts on the SCAO's behalf.

4. SCOPE OF SERVICES

4.01 Upon approval of the Grantee's application and signing of this contract, SCAO agrees to provide funding from the Grant in an amount not to exceed the amount of this contract. In no event does this contract create a charge against any other funds of SCAO or the Michigan Supreme Court.

4.02 The Grantee shall, during the contract term, use the Grantee's best efforts and endeavors to promote the interests of the SCAO. The Grantee, and the Grantee's employees or subcontractors, shall devote such time, attention, skill, knowledge, and professional ability as is necessary to most effectively and efficiently carry out and perform the services as described in this contract and in any amendments to this contract.

4.03 Commitment of state resources for the acquisition of goods and services, and execution of purchase orders, contracts, and similar agreements, shall remain the sole responsibility of the SCAO.

5. PERFORMANCE AND BUDGET

5.01 The SCAO agrees to provide the Grantee a sum not to exceed \$113,154 for the court program operated pursuant to this contract.

5.02 The grant agreement is designated as a sub-recipient relationship.

5.03 Any Grantee equipment purchases supported in whole or in part through this agreement must be listed in the supporting Equipment Inventory Schedule. Equipment means tangible, non-expendable, personal property having useful life of more than one (1) year and an acquisition cost of \$5,000 or more per unit. Title to items having a unit acquisition cost of less than \$5,000 shall vest with Grantee upon acquisition. SCAO reserves the right to retain or transfer the title to all items of

equipment having a unit acquisition cost of \$5,000 or more, to the extent that SCAO's proportionate interest in such equipment supports such retention or transfer of title.

5.04 The Grantee agrees that it will not expend funds obtained under this contract for any purpose other than those authorized in the administrative requirements specified in the application and revised approved budget for the Grant, and will expend grant funds only during the period covered by this contract unless prior written approval is received from the SCAO.

5.05 The Grantee must sign up through the online vendor registration process to receive all state of Michigan payments as Electron Funds Transfers (EFT)/Direct Deposits. Registration information is available through the Department of Technology, Management, and Budget's website at: http://www.michigan.gov/budget/0,1607,7-157-13404_37161-179392--,00.html

5.06 All payments for the proper performance of the contract shall be made by the SCAO quarterly, upon submission by the Grantee of financial reports for approval by the SCAO on a form approved by the SCAO. The financial reports shall include a specific amount of the hours worked, hourly salary, the detailed services provided by the Grantee or Grantee's staff, and/or the specific amount expended on supplies or operating costs necessary for program operation.

5.07 Requests for adjustments in expenditures within line items and between line item categories must be made using a Contract Adjustment Request form, and approved by the SCAO.

5.08 The Grantee shall make reasonable efforts to collect 1st and 3rd party fees, where applicable, and report these as outlined in the SCAO's fiscal procedures. Any under-recoveries of otherwise available fees resulting from failure to bill for eligible services will be excluded from reimbursable expenditures.

6. CONDUCT OF THE PROJECT

6.01 The Grantee shall abide by all terms and conditions required in the application assurances, budget requirements, and the Grantee's approved program outline and budget.

6.02 The Grantee shall operate its grant-funded program in accordance with the application assurances.

6.03 The Grantee agrees that funds awarded under this grant will not be used to support any inherently religious activities, such as worship, religious instruction, or proselytizing. If the Grantee refers participants to, or provides, a non-federally funded program of service that incorporates such religious activities: (1) any such activities must be voluntary for program participants, and (2) program participants may not be excluded from participation in a program or otherwise penalized or disadvantaged for any failure to accept a referral or services. If participation in a non-federally funded program or services that incorporates inherently religious activities is deemed a critical treatment or support service for program participants, the Grantee agrees to identify and refer participants who object to the inherently religious activities of such program or service to a comparable secular alternative program or service.

7. ASSIGNMENT

7.01 The Grantee may not assign the performance under this contract to subcontract personnel except with the prior written approval of the SCAO.

7.02 All provisions and requirements of this contract shall apply to any subcontracts or agreements the Grantee may enter into in furtherance of its obligations under the contract.

7.03 The Grantee shall provide copies of all subcontracts for services funded in whole or in part by this grant to SCAO.

8. CONFIDENTIAL INFORMATION

8.01 In order that the Grantee's employees or subcontractors may effectively provide fulfillment of this contract to the SCAO, the SCAO may disclose confidential or proprietary information pertaining to the SCAO's past, present, and future activities to the Grantee. All such information is proprietary to the SCAO and Grantee shall not disclose such information to any third party without prior approval from the SCAO, unless disclosure is required by law or court order. If disclosure is required by law or court order, SCAO will be notified of the request before disclosure. The Grantee agrees to return all confidential or proprietary information to the SCAO immediately upon the termination of this contract.

8.02 Both the SCAO and Grantee shall assure that medical services to, and information contained in the medical records of, persons served under the provisions of this contract or other such recorded information required to be held confidential be federal or state law, rule, or regulation, in connection with the provision of services or other activity under this agreement, shall remain confidential. Such information shall be held confidential, and shall not be divulged without the written consent of either the patient or a person responsible for the patient, except as may be otherwise required by applicable law or regulation. Such information may be disclosed in summary, statistical, or other form, if the disclosure does not directly or indirectly identify particular individuals.

10.01 The Grantee assures that it is in compliance with the Health Insurance Portability and Accountability Act (HIPAA), 42 CFR Part 2, and applicable confidentiality provisions of the Michigan Mental Health Code, to the extent that this act and these regulations are pertinent to the services that the Grantee provides under this contract. These requirements include:

- A. The Grantee must not share any protected health or other protected data and information provided by the SCAO or any other source that falls within HIPAA, 42 CFR Part 2, and/or the Michigan Mental Health Code requirements, except to a subcontractor as appropriate under this contract.
- B. The Grantee must require, in the terms and conditions of any subcontract, that the subcontractor not share any protected health or other protected data and information from the SCAO or any other source that falls under HIPAA, 42 CFR Part 2, and/or Michigan Mental Health Code requirements.
- C. The Grantee must use protected data and information only for the purposes of this contract.
- D. The Grantee must have written policies and procedures addressing the use of protected data and information that falls under HIPAA, 42 CFR Part 2, and/or Michigan Mental Health Code requirements. The policies and procedures must meet all applicable federal and state requirements including HIPAA, 42 CFR Part 2, and/or Michigan Mental Health Code regulations. These policies and procedures must include restricting access to the protected data and information by the Grantee's employees.
- E. The Grantee must have a policy and procedure to report to the SCAO unauthorized use or disclosure of protected data and information that falls under HIPAA, 42 CFR Part 2, and/or Michigan Mental Health Code requirements of which the Grantee becomes aware.
- F. Failure to comply with any of these contractual requirements may result in the termination of this contract in accordance with section 20.
- G. In accordance with HIPAA, 42 CFR Part 2, and/or Michigan Mental Health Code requirements, the Grantee is liable for any claim, loss, or damage relating to its unauthorized use or disclosure of protected data and information received by the Grantee from the SCAO or any other source.

11. RIGHTS TO WORK PRODUCT

11.01 All reports, programs, manuals, tapes, listings, documentation, and any other work product prepared by the Grantee under this contract, and amendments thereto, shall belong to the SCAO and are subject to copyright or patent only by the SCAO. The SCAO shall have the right to obtain from the Grantee original materials produced under this contract and shall have the right to distribute those materials.

11.02 The SCAO grants the Grantee a royalty-free, nonexclusive license to use anything developed in the course of executing this contract if the work product enters the public domain.

11.03 The SCAO shall have copyright, property, and publication rights in all written or visual material or other work products developed in connection with this contract. The Grantee shall not publish or distribute any printed or visual material relating to the services provided under this contract without the prior explicit permission of the SCAO.

12. WRITTEN DISCLOSURE

12.01 The Grantee and Grantee's employees or subcontractors shall promptly disclose in writing to the SCAO all writings, inventions, improvements, or discoveries, whether copyrightable, patentable, or not, which are written, conceived, made, or discovered by the Grantee or the Grantee's employees or subcontractors jointly with the SCAO or

singly by Grantee or Grantee's employees or subcontractors while engaged in activity under this contract. As to each such disclosure, the Grantee shall specifically point out the features or concepts that are new or different.

12.02 The SCAO shall have the right to request the assistance of the Grantee and Grantee's employees or subcontractors in determining and acquiring copyright, patent, or other such protection at the SCAO's invitation and request.

12.03 The Grantee represents and warrants that there are at present no such writings, inventions, improvements, or discoveries (other than in a copyright, copyright application, patent, or patent application) that were written, conceived, invented, made, or discovered by the Grantee or the Grantee's employees before entering into this contract, and which the Grantee or the Grantee's employees desire to remove from the provisions of this contract, except those specifically set forth by attachment hereto.

13. INSURANCE

13.01 The Grantee should carry insurance coverage or self-insurance in such amounts as necessary to cover all claims arising out of the Grantee's operations under the terms of this contract.

14. INDEMNITY

14.01 Unless § 14.02 applies, the Grantee agrees to indemnify, defend, save, and hold harmless the SCAO, the Michigan Supreme Court, their agents, officers, and employees from any liabilities, obligations, damages, penalties, claims, costs, fees, charges, and expenses (including, but not limited to, fees and expenses of attorneys, expert witnesses, and other consultants) that may be imposed upon, incurred by, or asserted against the SCAO or the Michigan Supreme Court by reason of the Grantee's acts or services provided under this contract. Indemnity is not limited by: (1) failure to procure and/or maintain insurance for Grantee or Grantee's subcontractors; (2) failure to procure and/or maintain sufficient insurance for Grantee or Grantee's subcontractors; or (3) by operation of insurance deductibles, holdbacks, or minimums.

14.02 If the Grantee is a local unit of government, that is a political subdivision and instrumentality of the State of Michigan, or an office, department or agency thereof, the following liability provisions apply:

- A. All liabilities, obligations, damages, penalties, claims, costs, fees, charges, and expenses (including, but not limited to, fees and expenses of attorneys, expert witnesses, and other consultants) resulting from claims, demands, costs, or judgments arising out of activities or services carried out by the Grantee in the performance of this contract, shall be the responsibility of the Grantee, and not the responsibility of the SCAO. Nothing in this subsection is, nor shall be construed as, a waiver of governmental immunity.
- B. All liabilities, obligations, damages, penalties, claims, costs, fees, charges, and expenses (including, but not limited to, fees and expenses of attorneys, expert witnesses, and other consultants) resulting from claims, demands, costs, or judgments arising out of activities or services carried out by the SCAO in the performance of this contract, shall be the responsibility of the SCAO, and not the responsibility of the Grantee. Nothing in this subsection is, nor shall be construed as, a waiver of governmental immunity.
- C. In the event that liabilities, obligations, damages, penalties, claims, costs, fees, charges, and expenses (including, but not limited to, fees

and expenses of attorneys, expert witnesses, and other consultants) resulting from third party claims, demands, costs, or judgments arise as a result of activities conducted jointly by the Grantee and SCAO in fulfillment of their responsibilities under this contract, such liabilities, obligations, damages, penalties, claims, costs, fees, charges, and expenses shall be borne by the Grantee and SCAO in relation to each party's responsibilities under these joint activities. Nothing in this subsection is, nor shall be construed as, a waiver of governmental immunity.

14.03 The SCAO is not responsible and will not be subject to any liability for any claim related to the loss, damage, or impairment of Grantee's property and materials or the property and materials of the Grantee's employees or subcontractors, used by the Grantee pursuant to the Grantee's performance under this contract.

14.04 The Grantee warrants that it is not subject to any nondisclosure, noncompetition, or similar clause with current or prior clients or employers that will interfere with the performance of this contract. The SCAO will not be subject to any liability for any such claim.

14.05 In the event any action or proceeding is brought against the Grantee by reason of any claim due or claimed to be due to Grantee's performance covered under this contract, the Grantee will, at the Grantee's sole cost and expense, resist or defend the action or proceeding as Grantee deems appropriate. Grantee retains sole authority and discretion to resolve and settle any such claims.

15. ACQUISITION, ACCOUNTING, RECORDKEEPING, AND INSPECTION

15.01 The Grantee agrees that all expenditures from this contract, including the acquisition of personnel services, contractual services, and supplies, shall be in accordance with: (1) the standard procedures of the Grantee's funding unit, and (2) the administrative and budget requirements of the grant.

15.02 The Grantee agrees to maintain accounting records following generally accepted accounting principles for the expenditure of funds for the purposes identified in the approved grant request, final approved budget, and any applicable approved contract addendum and/or budget amendment.

15.03 The Grantee agrees that the Michigan Supreme Court, the SCAO, the local government audit division of the Michigan Department of Treasury, the State Auditor General, or any of their duly authorized representatives, including program evaluators and auditors, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, books, accounts, data, time cards, or other records related to this contract. The Grantee shall retain all books and records, including all pertinent cost reports, accounting and financial records, or other documents related to this contract, for five years after final payment at the Grantee's cost. Federal and/or state auditors, and any persons duly authorized by the SCAO, shall have full access to and the right to examine and audit any of the materials during the term of this contract and for five years after final payment. If an audit is initiated before the expiration of the five-year period, and extends past that period, all documents shall be maintained until the audit is complete. The SCAO shall provide audit findings and recommendations to the Grantee. The SCAO may adjust future or final payments if the findings of the audit indicate over- or under-payment to the Grantee for the period audited, subject to the availability of funds for such purposes. If an audit discloses an overpayment to the Grantee, the Grantee shall immediately refund all amounts that may be due to the SCAO. Failure of the Grantee to comply with the requirements of this section shall constitute a material breach of this contract upon which the SCAO may cancel,

terminate, or suspend this contract.

15.04 The Grantee's accounting system must maintain a separate fund or account that segregates grant contract receipts and expenditures from other receipts and expenditures of the Grantee.

16. PROGRAM REVIEW AND MONITORING

16.01 The Grantee shall give the SCAO and any of its authorized agents access to the court at any reasonable time to evaluate, audit, inspect, observe, and monitor the operation of the program. The inspection methods that may be used include, but are not limited to onsite visits, interviews of staff and mental health court participants, and review of case records, receipts, monthly/quarterly statistical reports, and fiscal records.

17. REPORTS

17.01 The SCAO will provide report forms for all required reports. The Grantee agrees to submit timely, complete, and accurate reports as identified in this contract and the application assurances and administrative requirements for the grant to the SCAO as listed in Attachment A.

17.02 The data for each participant who is screened and accepted into the program must be entered into the appropriate Case Management System.

17.03 The Grantee is responsible for the timely, complete, and accurate submission of each required report and data as outlined above.

17.04 If any report is thirty days past due, a delinquency notice will be sent via email notifying the Grantee that it has 15 days to comply with the reporting requirement. Forty-five days past the due date, a forfeiture notice will be sent to the Grantee via the U.S. Postal Service notifying it that its funding award has been rescinded due to contract noncompliance.

18. DEBARMENT AND SUSPENSION

18.01 The Grantee may not contract with or make any award of grant funds at any time to any third party that has been debarred or suspended or is otherwise excluded from, or ineligible for, participation in federal assistance programs under Executive Order 12549, "Debarment and Suspension."

19. AUDITS

19.01 This section only applies to Grantees designated as sub-recipients. Grantees designated as vendors are exempt from the provisions of this section.

19.02 Grantees must submit to the SCAO a Single Audit, Financial Statement Audit, or Audit Status Notification Letter as described below. If submitting a Single Audit or Financial Statement Audit, Grantees must also submit a Corrective Action Plan for any audit findings that impact SCAO-funded programs and a management letter (if issued) with a response.

- A. Single Audit: Grantees that expend \$500,000 or more in federal awards during the Grantee's fiscal year must submit to SCAO a Single Audit prepared consistent with the Single Audit Act Amendments of 1996, and Office of Management and Budget (OMB) Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations," (as revised).
- B. Financial Statement Audit: Grantees exempt from the Single Audit requirements that receive \$500,000 or more in total funding from SCAO in state and federal grant funding must submit to SCAO a Financial Statement Audit prepared in accordance with GAAS if the

audit includes disclosures that may negatively impact SCAO-funded programs including, but not limited to, fraud, financial statement misstatements, and violations of contract and grant provisions.

- C. Audit Status Notification Letter: Grantees exempt from both the Single Audit and Financial Statement Audit requirements (1. and 2. above) must submit an Audit Status Notification Letter that certifies these exemptions.

19.03 The required audit and any other required submission (i.e. Corrective Action Plan and management letter with a response), or audit Status Notification letter must be submitted to the SCAO within nine months after the end of the Grantee's fiscal year to Michigan Supreme Court, State Court Administrative Office, Hall of Justice, PO Box 30048, Lansing, Michigan, 48909, attention Kathryn Van Asperen.

19.04 If the Grantee does not submit the required Single Audit reporting package, management letter (if issued) with a response, and Corrective Action Plan; or the Financial Statement Audit and management letter (if issued) with a response within nine months after the end of the Grantee's fiscal year, and an extension has not been approved by the cognizant or oversight agency for audit, the SCAO may withhold from the current funding an amount equal to five percent of the audit year's grant funding (not to exceed \$200,000) until the required filing is received by the SCAO . The SCAO may retain the amount withheld if the Grantee is more than 120 days delinquent in meeting the filing requirements and an extension has not been approved by the cognizant or oversight agency for audit. The SCAO may terminate the current grant if the Grantee is more than 180 days delinquent in meeting the filing requirements and an extension has not been approved by the cognizant or oversight agency for audit.

19.05 Failure to submit the Audit Status Notification letter, when required, may result in withholding from the current funding an amount equal to one percent of the audit year's grant funding until the Audit Status Notification letter is received.

19.06 The SCAO or federal agencies may also conduct or arrange for "agreed upon procedures" or additional audits to meet their needs.

20. TERMINATION OR FUNDING HOLD

20.01 Each party has the right to terminate this contract without cause by giving written notice to the other party of such termination at least thirty (30) days before the effective date of such termination. Reasons for termination may include, but are not limited to, failure to make ongoing progress toward the program's goals, failure to submit reports in a timely fashion, or using a vendor suspended or debarred pursuant to section 18 of this contract.

20.02 This contract may be terminated immediately without further financial liability to the SCAO if funding for this contract becomes unavailable to the SCAO.

21. COMPLIANCE WITH LAWS

21.01 The Grantee shall comply with all applicable laws, ordinances, and codes of the federal, state, and local governments.

22. MICHIGAN LAW

22.01 This contract shall be subject to, and shall be enforced and construed under, the laws of Michigan.

23. CONFLICT OF INTEREST

23.01 The Grantee presently has no personal or financial interest, and shall not acquire any such interest, direct or indirect, that would conflict in any manner or degree with the performance of this contract.

24.01 The Grantee covenants that it is not, and will not become, in arrears to the state of Michigan or any of its subdivisions upon contract, debt, or any other obligation to the state of Michigan or its subdivisions, including real property, personal property, and income taxes.

25. DISPUTES

25.01 The Grantee shall notify the SCAO in writing of the Grantee's intent to pursue a claim against the SCAO for breach of any term of this contract within seven days of discovery of the alleged breach.

25.02 The Grantee and the SCAO agree that with regard to any and all disputes, controversies, or claims arising out of or in connection with or relating to this contract; or any claim that the SCAO violated any local, state, or federal ordinance, statute, regulation, law, or common-law doctrine (including discrimination or civil rights claims); or committed any tort; the parties shall attempt to resolve the dispute through mediation. Selection of a mediator will be by mutual agreement of the parties.

25.03 The Grantee and the SCAO agree that, in the event that mediation is unsuccessful, any disputes, controversies, or claims shall be settled by arbitration. Selection of an arbitrator will be by mutual agreement of the parties. The decision of the arbitrator shall be binding on both parties. The award, costs, and expenses of the arbitration shall be awarded at the discretion of the arbitrator. This agreement to arbitrate shall be specifically enforceable. A judgment of any circuit court shall be rendered upon the award made pursuant to submission to the arbitrator.

26. ENTIRE AGREEMENT

26.01 This contract contains the entire agreement between the parties and supersedes any prior written or oral promises and representations. No other understanding, oral or otherwise, regarding the subject matter of this contract exists to bind either of the parties.
