On a roll call vote, the vote was as follows with the Chair declaring the resolution approved as presented.

Approved Resolution Reads as Follows:

PARKS ADVISORY COMMISSION RESOLUTION ON THE FISCAL YEAR 2023 PROPOSED BUDGET

Whereas, a vibrant, extensive, and healthy parks system is part of every great town and city;

Whereas, Ann Arbor residents value their parks, natural areas and recreational facilities and support these amenities through their taxes and patronage;

Whereas, the Parks Advisory Commission (PAC) commends staff for their continued efforts to engage PAC members in the budget process, and in producing a budget draft that follows PAC's recommended budget priorities to sustain facilities and activities for all residents, but especially children, low income residents, and

seniors, particularly where these services are not otherwise available;

Whereas, PAC supports the increase of FTEs as a means to allow current staff to be most effective in their jobs. Ann Arbor parks provide an immense range of services and hiring more FTEs will allow staff to not only continue to provide the high level of service expected by Ann Arbor residents/parks users, but also meet the growing needs of the community.

RESOLVED, That PAC recommends that City Council approve the Administrator’s recommended budget for Parks and Recreation Services developed by staff highlighting the following items and noting the following changes from the FY 2023 budget:

- 1. Increase in expense of \$979,800 in the General Fund to cover the increase cost of temporary salaries to be in line with the living wage standard set by the City,
- 2. Increase in expense in the General Fund to cover the addition of a new Recreation Supervisor as an overhire,
- 3. There will be a net zero increase in expense for the Parks millage to support the restructuring of the NAP and Land Acquisition Deputy Manager position, the addition of 2 FTEs for NAP/Land Acquisition, the addition of the Adopt-A-Park FTE and the temp salary increases.
