

PETITION TO THE WATER RESOURCES COMMISSIONER OF WASHTENAW COUNTY

The undersigned public corporation hereby petitions for the cleaning out, relocating, widening, deepening, straightening, tiling, extending or relocating along a highway, constructing branches, relief drains or connections to the Willard Street portion of the Allen Creek Drain as described in Exhibit A to serve the area described in Attachment 1, which storm drain improvements better described in the attached Memorandum and Resolution, are necessary to reduce downstream flooding and improve water quality to increase the public health benefit. The Allen Creek Drainage District is located within the limits of the City of Ann Arbor, the petitioner herein.

This petition is filed by the City pursuant to the provisions of Section 463 of Chapter 20 of Acts No. 40 of the Public Acts of 1956, as amended.

It is understood that none of the proposed drain project attributable to the part of the project in the City will be paid for by a special assessment levied against persons in the City.

A certified copy of the resolution of the governing body of the City of Ann Arbor authorizing execution of this petition is attached hereto.

File Number: 11-1514

Enactment Number: R-12-010

Resolution to Petition the Washtenaw County Water Resources Commissioner for the Willard Street Stormwater Management Control Measures in the Allen Creek Drainage District (Total Cost: \$630,000.00; City's Apportionment: \$601,020.00)

Whereas, There is a Total Maximum Daily Load (TMDL) for phosphorus and E. coli reduction within the Huron River;

Whereas, The Allen Creek Drainage District is within the area covered by the phosphorus and E. coli TMDLs;

Whereas, The City Council intends to file with the Washtenaw County Water Resources Commissioner a petition to clean out, relocate, widen, deepen, straighten, extend, tile, interconnect, or otherwise improve the Allen Creek Drainage District pursuant to Section 482 of Chapter 20 of the Drain Code of 1956 (MCL 280.482);

Whereas, It is the desire of the City Council to have the Mayor and Clerk sign and file the necessary petition with the Washtenaw County Water Resources Commissioner; and

Whereas, A suggested form of such petition is now presented to the City Council;

RESOLVED, The City Council hereby determines to proceed with the proposed drain project for the Allen Creek Drainage District as more fully described in the petition attached hereto as Attachment 1;

RESOLVED, The Mayor and Clerk be hereby authorized and directed to execute such petition for and on behalf of the City and to file the same with the Water Resources Commissioner of the County of Washtenaw;

RESOLVED, The City Council hereby consents to the location of the proposed clean out, relocation, widening, deepening, straightening, extending, tiling, interconnecting or otherwise improving the Allen Creek Drainage District within the limits of the City and the assessment of a portion of the cost of such improvements, so located, against the City; and

RESOLVED, That the stormwater assessment (approximately \$300,510.00, plus interest) will be paid in twenty annual installments not to exceed \$19,110.00/annum from the Operating Budget of the Stormwater Fund (Fund 0069), beginning in FY13.

I, Jacqueline Beaudry, Clerk of the City of Ann Arbor, Michigan, certify that this is a true copy of Resolution R-12-010, passed by the Ann Arbor City Council on 1/9/2012.
